The PTA is a team effort. If you are able, we would greatly appreciate any and all volunteers. We understand everyone's schedules are busy (we are both full-time working mothers who can relate), but there is no set time commitment associated with joining the PTA. There are many different ways to get involved, from helping out at one of our many events to chairing an event or helping implement new ideas. We always want to hear more about programs and events that we could bring to Mount.
