

TRUFELLE INTENTION GUIDE

TrufElle is our unique blend of aphrodisiac chocolates with THC that help ignite your sensual desires. TrufElle helps you get out of your heads and into your desired state, whether it is with your partner in the bedroom, a giggle fest with your girlfriends, or a quiet night at home, you can show up in the most authentic way.

TrufElle
Ignite your Sensual Desire

It's all about SET and SETTING. In order to achieve the most optimal experience with TrufElle, set an INTENTION and you will be in the right mindset to achieve your purpose. Create the physical environment that will enable the perfect setting for your experience.

Set the mood by having an intention of what you wish to do

Bliss Meter: Scale of 1-10 with 1 being the most functional state and 10 being the most euphoric state

<u>Product</u>	<u>Intention</u>	<u>Bliss Meter</u>
◦ CREATE	Lighter Dose with Intention to "Unleash Your Creativity"	1
◦ CONNECT	Low-Med Dose with Intention to "Create Authentic Conversations"	2
◦ LAUGH	Medium Dose with Intention to "Let Go and Laugh"	3
◦ DESIRE	Med-high dose with Intention to "Ignite Your Sensuality"	4
◦ JOURNEY	High Dose with Intention to "Free Your Mind"	5

Instructions:

Start with 1 TrufElle, the bliss meter is just a guide to help you understand your personal tolerance. If taken on an empty stomach, you should start to feel the effects in 30-90 minutes after consumption.

Results are not guaranteed but rather a guide. Over time, you will discover your happy place, depending on your mood, intention and physical environment.

Do not combine TrufElle with other drugs or medication. Proceed with extreme caution if consuming with any alcohol. Keep away from Kids and Pets. Use at your own discretion.

WARNING: Contains THC - Keep away from Minors!

Please note product will take effect approximately 30-90 mins after consumption on an empty stomach.

Dark Chocolate, Coconut cream, Natural flavours, Essential oils, Aphrodisiac herbal blend and Psilocybin.
May Contain: Nuts and natural fruit
