Indicated on each line above, is either a "check" or a chronological number. A "check" indicates

that it appears there is compliance with that standard. A number indicates that there is a

## Walnut Bend Architectural Review Committee (ARC) Acknowledgement Form

The undersigned (the "Lot Owner and Contractor") acknowledge:

- that they have read and fully understand the Declaration of Easements, Permits,
   Covenants, Conditions and Restrictions that were recorded for Walnut Bend in the
   County of Hawkins, located in the State of Tennessee;
- that there may be other local, state and/or federal laws and/or regulations that apply to development of Lot #\_\_\_\_ at Walnut Bend and that it is the Lot Owner's and Contractor's responsibility to comply with those laws and/or regulations and to obtain any required permits and/or approvals;
- that the Architectural Review Committee (the "Committee") of Walnut Bend has reviewed or will review the Lot Owner's plans to develop the Lot, but that the final approval of the plans represents only the Committee's most diligent effort to assure that the plans comply with the Documents; and
- that the Committee shall have no affirmative obligation to be certain that all of the restrictions contained in the Documents are fully complied with and that it is the Lot Owner's and Contractor's ultimate responsibility for compliance.

Furthermore, the Lot Owner and Contractor agree and understand that no member of the Committee shall have any liability, responsibility, or obligation, whatsoever, for any decision or lack thereof, in the carrying out of his duties as a member of the Committee and that the Lot Owner and Contractor agree to save, defend, and hold harmless the Committee and each of its members because of any activities of the Committee relating to the development of the Lot.

• During construction, you and your builder will be responsible for the cost of repairing all damages done to any of the roads located within the development that may be caused by contractors working on your home. Please specify to all subcontractors, that we do not allow loads over 25 tons (especially the concrete trucks) on these private roads.
