

# Bobbi Hartman Passed Away

*AZ Rider*

*By Mary K. Donnay*

I received notice that Bobbi Hartman passed away on December 1st, 2021. I have not been notified of the circumstances or if there will be a funeral or memorial. I'll let you know if that is announced.

Bobbi was a Lifetime member of A.B.A.T.E. of Arizona, Inc., Yavapai Chapter and our Authorized Lobbyist for a number of years. Then she was one of MMA's lobbyists. She lobbied for motorcycle rights most of her life, and was instrumental in getting the Motorcycle Awareness Program (MAP) structured and taught it in countless Driver's Education high school classes throughout Arizona, undoubtedly saving motorcyclists lives.

She received the Silver Spoke Award for lifetime achievement from Richard Lester's firm, Aid to Injured Motorcyclists (AIM) during a National Coalition of Motorcycle Clubs meeting (NCOM).

I remember that she was very proud of that.

The last few years, I'd see her at the AZ State Capital or M.R.F.'s Meeting of the Minds, towing her oxygen tank and taking it slow, but still going!

She gave her all and we appreciate her dedication to our purpose.

Rest in peace Bobbi.  
**THANK YOU FOR  
YOUR SERVICE!**
