# Superstition Harley's Holidays

In keeping with the Holidays, Superstition Harley-Davidson hosted a number of events to help people during the Holidays and help keep the Spirit bright ☺ Throughout the Season there were several opportunities for the young & the young at heart to have their photo taken with Santa Claus.

On November 23, 2019 there was a Turkey Ride to deliver turkeys to the Apache Junction Food Bank in preparation for Thanksgiving. This was the first time working with this organization & SHD Event Coordinator Brina commented that she looks forward to working with them again.

December 14 was the day to deliver the toys to Sunshine Acres Children's Home from the SHD &

Seductive Car Club Toy Drive that started back on November 2nd. The donations had been sorted, organized, and wrapped. On delivery day Car Club members opened their trucks & backseats; carrying the gifts to Sunshine Acres Children's Home on Higley in Mesa for a party with the residents. The parade of cars and motorcycles was a hit with the kids. SACH currently has 86 children in its care; of all ages starting at 5 years old.

Thanks to the generosity of area bikers, the Toy Drive collected enough giftables to also make a donation to Hope Women's Center { https://hopewomenscenter.org/ } in Apache Junction.

December 21 was the annual 'Battle of the Beards'. This year's turnout was excellent, with 29 contes-

tants in 6 categories. Congratulations to all the winners & thank you for participating!

Running short of time to bake up some Christmas treats? The Friends of the Kids had you covered with a fundraising bake sale offering an array of goodies; plus they hosted a gift-wrapping booth. Your donations to FOTK always go toward helping the children of the White Mountain Apache Tribe Children's Shelter.

There are more great pix of each of these gatherings at the Superstition HD photo gallery, so be sure and check them out at https://www.facebook.com/pg/SuperstitionHD/photos/
