

Superstition HD - Seductive CC Bike & Car Show

The Superstition Harley-Davidson & Seductive Car Club 9th Annual Toy Drive Motorcycle & Car Show took place on Saturday November 5, 2022.

What a terrific turnout! There were so many entries that they had a row of cars down the center of the lane between the regular parking spaces! It was a record-breaking showing of 165 vehicles. The vehicles are brought in by numerous area car clubs; plus independent motorcyclists & auto owners. The fee to participate was a new unwrapped toy.

The oldest vehicle I saw was a 1936 Ford Sedan Delivery vehicle. An interesting car to see was a 1959 Hudson Metropolitan. Considered to be the first 'compact car', it measures 10' shorter than a VW Bug.

Vendors included tattooing by Dozer Ink, the local Geico office, a variety of giftables, jewelry, artwork, Hot Wheel & Matchbox cars; plus there were several food trucks.

There was a table full of raffle items... a toy box painted up like a Snap-On Tools truck, a motorcycle helmet, skate boards, family games, tools & other shop necessities, a commemorative clock, dash cams, & more. A ticket sales promotion they held was very popular ... \$20 for

20 Minutes. For \$20 you got the length in raffle tickets of your vehicle OR the car in the event poster.... Your choice. The poster car is a 1970 Pontiac Bonneville and measures just short of 19' long. It got REAL busy as people wanted in on that deal!

Live music during the day was provided by 'Friends That Jam' ☺ They were doing a pretty good job of it!

These clubs bring a whole new meaning to the term 'car hop'. These specially outfitted cars are amazing to watch. The car hop is open to anyone that wants to hop their car. The prize money goes to the car that hops the highest.

The 50/50 prize was \$255. The winner's name was unavailable at the time of this writing.

The Club Participation Trophy for the Most Toys Donated went to the East Valley Cruisers, with Society Car Club a close runner up.

Over 30 "People's Choice" Awards were given out. Here are some of the day's winners: Top award for motorcycle = Pat Grieco's 2000 Harley Road King ; Top award for Lowrider = Henry Garcia's 1952 Chevy Deluxe ; Top award for Hotrod = Jeff Trimble's 1967 Corvette Stingray ; Top award for Truck = Dan Paiz's 2001 Chevy S10 ; and Top award

for pedal bike, pedal cars = Marco Lizarraga's 2000 Street Bike. Superstition HD's favorite car was Henry Garcia's 1952 Chevy Deluxe. Seductive CC's top motorcycle pick was Pat Grieco's 2000 Harley Davidson.

Thanks go out to event sponsors SanTan Ford, Hayes Transmissions, & What's a Crackin; and Devine Signs for the amazing awards. Raffle donors included Snap-On Tools, Lucky Lou's, Keven with Mac Tools, Cobo Plumbing, Cornwell Tools, & Ponzetti's Performance N Customs.

Toys are being collected at Superstition HD from this day forward until December 17th, when these toys & goodies will be delivered. ALL are welcome to join in! Meet up at SHD, located at 2910 W. Apache Trail in Apache Junction by noon. The sleighs will be loaded ☺ then around 1pm it's away they'll roll 'parade style' to Sunshine Acres Children's Home. FMI: 480-346-0600
