Thank you so very much for being a part of this ministry and subscribing to the monthly newsletter. Our goal is to reveal Jesus to others right where people are in their journey. We are so grateful for everyone of you and count in a honor to do life with you!

“We are a ministry transforming the world through understanding Identity, Grace, Kingdom, and Power and Authority in the Earth as Kingdom Citizens of Jesus Christ.”

Lets get caught up...

What an amazing year this has been. As many of you know, Chris moved to the Orlando, FL area last year doing full time ministry and God has truly shown favor and blessing. From traveling to preaching, to leading worship and being on worship teams, busy is truly and understatement.

“My greatest honor is to point others to Jesus through a life well lived by preaching,

worship, music, serving and building the kingdom of God.”

Chris has been active in Jeff Ferguson Ministries with Voices of Wisdom, Bungalow Worship, & Tabitha's Ministries, Pastor Benny Hinn worship team, Pastor Suzanne Hinn daily Prayer line and so much more.

You may have seen where Chris graduated from New Covenant University with a BA in Theology and is currently working on his Masters Degree in Organizational Management.

“I believe education is an essential step as a leader to cultivate the presence of God within believers allowing His glory to be revealed through solid biblical teachings. The government of the kingdom is different than ours. Once we start taking steps moving in a certain direction, God takes notice and suddenly more favor, blessings, and opportunities come our way.”

Chris started a new Facebook Live called Doing Life With Chris. The first one has been viewed over 850 times so far. This is a time of interaction, teaching, worship and daily life events. Please subscribe to be notified and join the next one. Eventually it will stream on all platforms.
