This two-story oceanfront residence boasts five bedrooms and five bathrooms, overlooking the serene wooded dunes of Barnegat Light with a breathtaking ocean vista, creating an ideal setting for family gatherings. Tailored for larger families, this house features four decks, including a rooftop deck offering spectacular views for nighttime stargazing. The upper level encompasses an open-concept living area that combines the kitchen, dining space, and living room.

Embracing a coastal ambiance with touches of farmhouse style, this home seamlessly merges the charm of the mountains with the allure of the beach. Its vaulted ceiling and expansive windows infuse the interior with a blend of farmhouse and coastal aesthetics. The generous living and dining area offers ample room for hosting large gatherings, with two sliding doors leading to the deck overlooking the wooded dunes and the shoreline. A newly installed saltwater pool at ground level complements the private surroundings impeccably.

The sizable bedroom on the second floor features two king-size beds and a private deck providing stunning views of the western side of Barnegat Light. On the main level, there are four bedrooms, three bathrooms, a laundry room, a sitting area, and a family room. Two of the bedrooms on this level have sliders opening to the downstairs decks and en-suite bathrooms.

Conveniently positioned on the deck is an outdoor kitchen that is perfect for poolside gatherings. Additionally, this residence includes a bonus TESLA CHARGING STATION, an outdoor shower, and a rooftop deck. This exceptional oceanfront estate in Barnegat Light enjoys an enviable location on a beautiful street within walking distance of shops, restaurants, boating facilities, Viking Village, and miniature golf courses.
