'Come On Crumpsall' Rosa 1992

Rosa's 94th Birthday 2020. Always a NY Eve Party Girl, gone but never forgotten. Rest in Peace
Rosa 31/12/1926 – 26/04/2022

Hello & Welcome to your April 2022 issue of the *New Herald*, during the final edit of which we learned of the sad news that our long-standing former band secretary and so, so much more, **Rosa Slater**, passed away peacefully in hospital on 26th April 2022 and our thoughts and prayers go out to all her family and friends at this sad and difficult time. **A tribute to Rosa** recalling just a fraction of what she has meant to the very fabric of Crumpsall's community, particularly her exploits in relation to **Guiding and Scouting** and her unswerving support for **Crumpsall Concert Band** and our forebears **Crumpsall Scout & Guide Band**, will be included later in this issue.

Also included in this issue is an update on **Conductor Recruitment** and **Music Matters** as we enter a very busy and exciting term for the band, particularly after the restrictions of the last two years. Please make a note all our engagements detailed in **Calendar Dates** below, thank you.

News from your Committee, which recently expanded to six members at our 2020/21 AGM held 13th April, is included in the Band News section. As always, thank you for reading and we hope you enjoy this latest issue of your New Herald. Yours in Banding, Rob

With all of us pulling together in the coming term I am sure we can do ourselves justice in any setting, **and regular attendance at rehearsals and events** will be very much appreciated. RF

Performance Reviews – Good Friday & the Easter Sunday 'Eggstravaganza' event 2022:

The end of our Spring term, as is often the case, was signified by Easter / Passover festivals and the band was called upon twice over the Easter weekend of 15th – 17th April. Firstly, a quartet comprising Victoria and I on Cornet, Doug on Bassoon and Andrew on Trombone, played the hymnal accompaniment to the Methodist Church Service on Good Friday (pic below left). Secondly, during the afternoon of Easter Sunday, a larger group from the band, 14 in total, played in the sunshine and strong breeze in the Church Yard of St Matthew with St Mary's Church where we recently held our Spring Concert. This event was our founder, **Derek Farnell's** first event appearance with the band since he began playing with us again last September (*pic left*) and possibly his first since his retirement as our conductor in 2012. Again, we played some hymns in keeping with the season and incidental music from our tunes and toasts books. **Rev'd Daniel Valentine** had challenged the band to attend the Easter Sunday event sporting **Easter Bonnets**. **Never one to shirk a challenge, I duly obliged on behalf of the band, as you will see below** 😊

Enjoy the pictures above (*top left, below the pic of Derek, is from Good Friday and the rest, Easter Sunday*) and grateful thanks to all who were able to play over the weekend and for assistance with logistics; particularly on the Sunday.

Special thanks to **Douglas Graham** for all his work leading up to the events in arranging and producing parts for the hymns. With kind permission, the parts are now in our band room / library for future use and once again, much appreciated Doug. Many thanks, Rob

Library Corner – More Music from Macc; shelves filling nicely; historical gems revealed:

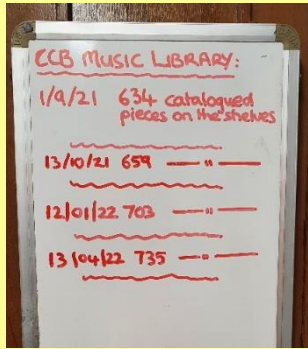

INTRO: The **Library Corner** feature would normally be a separate article within the newsletter but, from now on will feature periodically, as it does in this issue, under the **Music Matters** section which I'm sure you'll agree, is wholly appropriate:

More Music from Macclesfield Concert Band:

At our Spring concert back in March, I had the pleasure of being introduced to **Sheila Cummins**, Flautist with the Macclesfield based band and good friend of our own **Phil Hilton**, who came to support us. Meeting Sheila gave me the opportunity to thank her in person on behalf of the band for the generous donations of music we received back on 2nd February (*as featured in Library Corner in issue 6*) and also for additional scores and parts that we received a month later on 2nd March as pictured right: **Les, handing the parts over to Stuart** on our car park. As detailed above, and working with **Sue and Joe**, there maybe some potential to introduce at least one of the donated pieces for our summer term programme? **Watch this space and thanks once again, Sheena. RF**

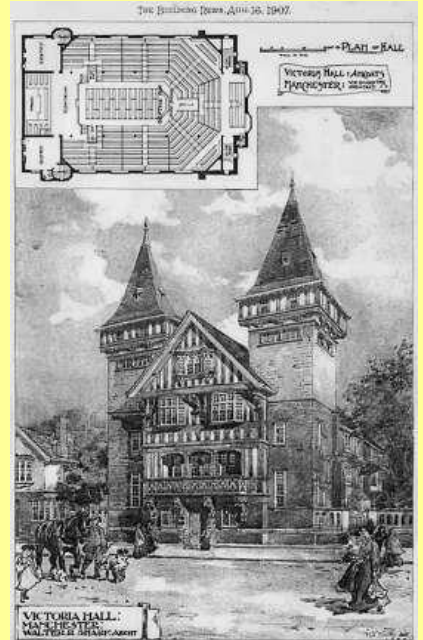

Our Library is filling up nicely and still turning up historical scores:

A week before our first rehearsal of the current season last September, we moved 634 fully catalogued pieces of music into our new library in the band room at MCC. Thanks to the diligence of our Librarian, Sue Atkinson, a further 101 had been added to that total as at 13th April. As Sue works her way through unsorted pieces, occasionally, historical gems are revealed. The piece below is stamped as the former property of the **Victoria Hall Silver Band, Ancoats, Manchester**. Alongside the music was a picture and plan of the Hall, dated 16th August 1907. Further research reveals the following:

Opened on 30 September 1897 Victoria Hall stood in Daniel St, New Islington described as "the densest, neediest, and seediest quarter of

Ancoats." It was built on the site of Daniel Street Wesleyan Chapel, founded in 1835 and demolished in 1896 to make way for the building of Victoria Hall. **The magnificent building fell into disuse and was demolished in 1956 and this is likely to have spelt the demise of the Silver Band that bore the Hall's name, around the same time. How we came by the music, there is no clue, but it is likely that it came via Derek Farnell through one of his many banding connections and thus found its way into our library to be duly sorted by Sue.**

Community Corner - Cleaner Crumpsall – April Litter Pick Review and a look ahead to June:

Helping strengthen links with the band and community groups in and around Crumpsall, I made my litter picking debut with the Cleaner Crumpsall Group on 2nd April and loved every minute. The team assembled in the picture left also included veteran pickers and band reps Barbara and Andrew Shaw and, as a whole the group did a magnificent job of helping tidy local streets for the benefit of the area, the environment and local residents.

It was also a great way to spend a couple of hours, keep fit, meet new people, make new friends and enjoy some social refreshments back at the Labour Club afterwards. Grateful thanks to Dave, Kath and all involved in the CCG for the fantastic work they do; it really does make a positive difference on many levels. If anyone else from the band or our supporter base wants to get involved, you'd be most welcome. The next pick is scheduled for **Saturday 11th June 2022** meeting at 10.30am at Crumpsall Labour Club, 98 Wilton Road, M8 6PX. See further details in our Calendar Dates on Page 1. Many thanks, Rob

Committee News from the ~~Band~~ Band Room - AGM Review and more from your Committee:

AGM 2020/21 held at MCC on 13th April 2022 – Key points and the election of your 2022/23 Committee:

Intro: Unlike the band season, which typically runs parallel to the academic year (September – August) the band's financial and administrative year runs parallel to the tax year (6th April – 5th April). Therefore, as we enter the final term of our 21/22 band season we begin the start of our 22/23 financial year.

Open to all members, our 20/21 AGM was held after a shortened rehearsal on 13th April with 22 in attendance. I provided a review of 20/21 in my Chair's Report and **Stuart** updated those present with our year-end financial position. Electronic copies of the AGM reports will be provided to all members shortly.

Committee Elections 2022/23: As a founder member of our band, I remain humbled and privileged to serve as your Chair once more and am delighted to confirm that fellow 2020/21 committee colleagues, **Stuart Atkinson**, **Sue Atkinson** and **Nicky Kay** have agreed to stay on in their roles too, and thank them for helping steer the band out of the pandemic restrictions and into a state, akin to normality, over the past 12 months.

Furthermore I am delighted, further inspired and motivated by the recruitment of two additional members joining our Committee; **Barbara Shaw** and **Ruthanna Stamp**, both of whom will bring complementary skillsets to support the management of our band as we move through into our 30th Anniversary year, which begins on 25th July 2022 ending on our 30th Birthday; 24th July 2023.

Barbara, the original Chair of the Band Committee in July 1993 and serving in this role for 8 years until July 2001, returns to support fundraising and the further enhancement of links between the band and community groups in and around Crumpsall. **Ruthanna**, who joined us on Trumpet last May, brings a youthful dynamic to our committee and, as you may have noted already, is keen to enhance our presence on social media, in particular Instagram, aiming to further raise our profile to reach a wider audience.

Roles and Portfolios 22/23: Following the formal AGM, all present were invited to the **Woodthorpe Hotel**, Prestwich, for an end of term drink and thanks to all who were able to participate for an enjoyable hour or two.

At the same venue, on Monday 25th April, your new committee met socially (with long-suffering partners invited for this inaugural meeting of 22/23) to, amongst other general matters, define roles and portfolios for the year-ahead and are pictured L-R: **Stuart, Nicky, Ruthanna, Rob, Barbara and Sue**.

We have subsequently appointed **Sarah Ferguson** (a Finance Director when not trumpeting with us) as our **Financial Auditor** for 2022/23. Thanks to Sarah for accepting this role.

Lockdown DVD – And The Band Played On – Rave Reviews:

Without a doubt, our DVD charting our 2020/21 journey through the pandemic has been very well received by all who have watched it. Recently, long time supporter and arguably the gentleman who was pivotal to the heritage of our band as far back as 1948, **Dr Cliff Bevan**, watched his copy and was moved to email the following review with half of the footage still to be viewed:

An Amazing DVD:

Dear Rob,

The Crumpsall Concert Band DVD arrived today. Thank you so much, I really appreciate it. So far, I've only had time to enjoy the tracks that the bandmembers contributed from their homes and am absolutely amazed by the rhythmic precision and impressive intonation. I was all the more impressed when I realised that it is unlikely that any of them had previously experienced the demands imposed in using headphones during recordings. The other thing I should mention is the actual standard of the DVD itself. How many thousands of hours did it take to edit? Tremendous congratulations to everyone involved. I'm saving the remainder 'til tomorrow, can't wait. With all good wishes to you, them and yours. Cliff

I have thanked Cliff for his kind feedback and a look back at our newsletters from Volume 2 Issue 8 (April 2020) onwards will reveal the significant part that Cliff played in our Heritage through his friendship with our founder Derek Farnell, many decades before our band was even thought about. After leaving Crumpsall, Cliff went on to spend a lifetime as a professional musician - with his signature instrument being trombone - and musical arranger. Given this context, his feedback on our DVD is even more special. **There are still copies available priced just £10 and please email if you would like one. We are also looking at ways we can make the DVD available as a purchasable download recognising that the DVD player is becoming increasingly obsolete. Watch this space. Thanks.**

ALMOST IN THE BAND – Episode 6 – the Final Instalment stalled: “Where is the finale to this series?” has been the outcry from readers anxious to know the results of who was **Almost in the Band** as the climax of 5 prior episodes of intrepid research and reader correspondence. As we enter our busiest period of playing in more than 2 years, your Editor needs a slow news month to do proper justice to the AITB series and to heighten anticipation can reveal, it will be included in one of the remaining issues of Volume 4. For all you avid fans out there, the wait will be worth it. Watch this space 😊

A CCB Tribute to – Mrs Rosa Slater 31/12/1926 – 26/04/2022:

On Tuesday 26th April, peacefully, whilst in hospital, 96 years young Mrs Rosa Slater passed away and our thoughts and prayers extend to her daughter Caroline and family and all her many friends, at this difficult time. Rosa's funeral will take place at Blackley Crematorium at 12 noon on Wednesday 11th May followed by the Woodthorpe Hotel where Rosa enjoyed many parties down the years. The family have requested no flowers please and not to wear black in support of a colourful celebration of Rosa's life. Thank you

Crumpsall born and bred, Rosa has been part of the fabric of the area and community for almost a century and will be fondly remembered as leader of the 7th Crumpsall Guides for many years and also an avid supporter of Crumpsall Concert Band and our forebears, the Crumpsall Scout & Guide Band. She was also a long standing respected member of the congregation at Methodist Church Crumpsall and Crumpsall Park Methodist Church before that.

Rosa's vivacious laugh, registering many decibels, is one of the many memories of Rosa that all who knew and loved her will cherish. As a young girl, Rosa loved to dance, and play netball and represented Crumpsall Lane School in both. Being famously patriotic, Rosa joined the Wrens during WWII aged 17 and was ultimately stationed in Warrington as a wireless operator. After her service for King and Country, it was back to Crumpsall and Rosa married Jack and worked for many years in the NHS as a wages clerk (a fellow payroller, how about that 😊), based at Booth Hall Children's Hospital but it was her service to the community through her church membership and Guiding (alongside her late husband Jack who was Scout Leader) where Rosa will be most fondly remembered. In tribute here follows just a few of the many pictures depicting a fraction of Rosa's legacy and hope you enjoy the selection:

7th Crumpsall Guides:

Rosa, whilst inspiring her leadership colleagues, embraced everything that Guiding is about and championed her young charges, driving and encouraging them to fulfil their potential to the best of their abilities during their time in the movement and beyond. She mentored so many Queen's Guides and Baden Powell Trefoil holders down the years and never tired of her commitment to their futures. A lasting and fitting legacy to a formidable leader of integrity and passion:

Pictured left are the 7th Crumpsall Queens Guide class of 1969 at their presentation evening held at Crumpsall Park Methodist Church on 18th November. Front Row L-R: Division Commissioner, Jeanette Blake, Margaret Taylor, Evelyn Williams and their Leader, Rosa Slater. Back Row L-R: Sheila Milgate, Elizabeth Wilkinson and Reverend

Dennis Featherstone. This group of guides would graduate to become the first ever Ranger Guide Unit at 7th Crumpsall under the leadership of Rosa and Jack's daughter Caroline Slater.

Pictured left are the same 5 Guides paying Rosa a surprise visit last Christmas, 52 years after becoming Queen's Guides. **What a legacy and testimony to the positive influence Rosa engendered through her role in Guiding on this group of guides** and so many others down the years as can be seen below:

Pictured here are the 7th Crumpsall Queen's Guide Class of 1983 at their presentation evening at Methodist Church Crumpsall on 17th June. Far left **Sue Scott** (now Harman), **Jeanette Smith** (now Gorner) and **Karen Smith** (now Fullen) as a proud Rosa tells a packed church all about their achievements. And the legacy marches on 😊.

Rosa never forgot the important role parents played either and **Mums Enid Smith and Jean Scott** were not to leave the presentation ceremony empty handed as pictured left. **Enid and Jean** both served as leaders in Cubs and Beavers and with the 434th Scout Group and **Enid** still supports the band's fundraising with her handmade greetings cards. **Rosa, also cherished the support of her leadership colleagues (friends) and on the same evening presented fellow guider Margaret Lynch** (who sadly passed away last December, as remembered in our December 2021 issue) with flowers and a certificate as thanks for all her support in Guides as **Margaret moved on to become the Ranger Unit Leader** for the joint Ranger / Venture Scout group that went on to work so well together through the 1980's and early 90's.

Scout group that went on to work so well together through the 1980's and early 90's.

Crumpsall Scout & Guide Band

Rosa loved the Scout & Guide Band and would always be afforded a place of honour at the top table at our Annual Inspections (as pictured left on 18th November 2005 next to her husband Jack as the Inspecting Officer, the Late Don Lord, delivers his verdict). **Rosa very soon recognised the importance of the band as an activity for Scouts and her Guides** and understood how her young charges would benefit further from being involved in the

band. As the band grew and developed from a local parade band to appear on the National stage, Rosa was at the fore front, being with us every step of the way. **In April 1985** the band, on a three mile plus District St Georges Day parade (pic top right) got a soaking and Rosa, without any prompting, organised a Jumble Sale at MCC to raise funds. The next thing we knew we had a full complement of yellow waterproofs with our logo printed on the back and never went unnoticed or got wet again thereafter, as pictured right.

Rosa arguably inspired the performance of our lives – Royal Albert Hall, London, where Crumpsall Scout & Guide Band became Contest Class National Champions 21/03/1992: "At 2.25pm on we went into complete darkness directed across the stage and down the ramps to the famous red floor of the hall, by stewards holding torches. **'Come on Crumpsall'** boomed and echoed from the vocal cords of loyal supporter and Guide Leader, **Rosa Slater**, from somewhere in the seats where our supporters were gathered, prompting many cheers and deafening applause." . (An extract from the 'Lynch Report' about our day in London – CSGB Band News April 1992 –by David Lynch) **A special, inspirational moment of classic Rosa that still makes the hairs on the back of my neck stand on end when I recall the occasion. RF**

Crumpsall Concert Band:

Following the formation of the independent Crumpsall Marching Band (that went on to become the Crumpsall Concert Band we know today) in July 1993, Rosa didn't hesitate to jump on board to actively support us through our formative first decade by serving as our Committee Secretary when many would have been contemplating retirement. Rosa, famous for organising her fundraising jumble sales did so on behalf of the band too.

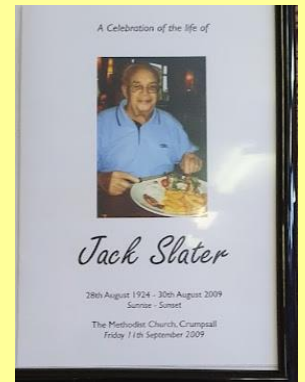

Our first season Band Committee pictured left meeting in the Crumpsall Labour club, 21/06/1994 to discuss fundraising. Chaired by Barbara Shaw (front centre) and also pictured from left to right: Andrew Shaw, Bernice Blood, Kath Wilson, Jill Dodge, Amy Farnell, **Rosa Slater**, Stan Herbert and Diane Chivers (not pictured Derek Farnell & Rob Fullen – probably at the bar 😊).

Far left: With Treasurer **Amy Farnell**, Secretary **Rosa** staff the door at our St Matthew's Parish Hall HQ to welcome members and supporters to our 1st AGM Thu 8th September 1994 and then, near left, sat alongside our Chair, **Barbara Shaw** with the meeting about to start. Rosa continued as a Committee member and our Secretary for over 10 years.

Methodist Church Crumpsall

Rosa, a valued member of the congregation at the Methodist Church in Crumpsall for many decades will be a much missed member of the church family and remarkably was still attending until just a few weeks ago. In latter years she gravitated to sit in the back corner of the church on a Sunday under the wall mounted Scout Group memorial to her late husband Jack and last Sunday seemed so strange without her there. However, there is much comfort in thinking they are now reunited and will always be in our hearts. **God bless Rosa, rest in well-earned eternal peace and thanks for everything.**

Victoria was also one of Rosa's last guides as she fully retired her Guiding leadership role shortly after Victoria moved up from Brownies around 2002/03.

Making Memories as time marches on – What were we up to as a band in April '19,20 & 21?:

April 2021:

Breaking News at the end of April 2021 was that guidance was coalescing to allow the likely return to outdoor rehearsals after *Step 3 of the Government's Roadmap* which would come in on or around 17th May 2021. We also learned of the sad passing of Tenor Saxophonist **Harry Hudson** on 5th April just a week after Trombonist **Norman Davies** had passed away on 29th March.

April 2020:

22 tuned in to our 2019/20 AGM via Zoom on Wednesday 22nd April, 1 month into the first lockdown. We also confirmed Honorary Appointments for the band with **Derek Farnell** being appointed our Honorary President and **Eva Jacobs** Honorary Vice President effective 01/04/2020.

April 2019:

Rosie Kingham made her debut public appearance as our Conductor, at the Methodist Church Spring Fair on 6th April 2019. A decent turnout of 23 played that day and it was the first time we had worn our new band ties and used our new banners.

THE LAST BIT:

Vote of thanks – Thanks to all who were able to be involved with the AGM and our Easter engagements.

Next Issue – Due late May, will include regular features and current updates in respect of recruitment in particular

And Finally – You and Yours keep safe and well and many thanks for reading, Rob
