## Monthly newsletter April 2024

Dear Customers,

welcome to our first Euro Deli Newsletter! We are very excited to share news and promotions on this platform from now on. we plan this to be a monthly edition but as everything changes, this may vary.

Unbelievable but Easter is already behind us! Thank you for everyone who pre-ordered and also all your patience during this busy time. Just some numbers: we sold over 700 lb of smoked sausages, over 130 lb of fresh sausage, almost 400 box of pierogi and approximately 200 lbs of pastries...
