TCBDD: Evaluation Checklist

the specific and the second se

STUDENT:	
JOB SITE:	
INSTRUCTOR	1
DATE:	

For each line item, rate the individual from 1-5, with 5 being the best score. As a guideline use:

- 1: Not observed, or never
- 2: Seldom
- 3: Some of the time
- 4: Most of the time
- 5: All of the time

2. Does the student present a clean appearance suitable for work? 3. Does the student have any hygiene issues that would not be appropriate within a community work setting? 4. Does the student travel independently throughout the school? 5. Does the student have trouble going up and down stairs? 6. Does the student independently use the restroom facility? 7. Does the student independently follow procedure for boarding and getting off the bus? 8. Does the student pay attention during instruction? 9. Does the student pay attention during instruction? 10. Does the student get attention from teacher/others appropriately? 11. Does the student follow rules? 12. 3 4 13. Does the student work independently? 14. Does the student need occasional prompting/redirection to compete work? 15. Does the student need occasional prompting/redirection to compete work? 16. Does the student need frequent prompting/redirection to compete work? 17. Does the student seek out work when finished with their current work? 18. Does the student on directions when finished with their current work? 19. Does the student on directions when finished with their current work? 10. Does the student on directions when finished with their current work? 10. Does the student wait for directions when finished with their current work? 10. Does the student continually work at a fast pace? 10. Does the student continually work at a steady pace? 11. 2 3 4 12. 3 4 13. Does the student continually work at a steady pace? 14. 2 3 4 15. Does the student continually work at a steady pace? 16. Does the student continually work at a steady pace? 17. Does the student continually work at a steady pace? 18. Does the student continually work at a steady pace? 19. Does the student correct mistakes? 20. Does the student independently stay focused on the work in front of them? 21. 2 3 4 22. Does the student follow verbal directions? 23. Does the student independently stay focused on the work in front of them? 24. Does the student independen		Domain	Score
2. Does the student present a clean appearance suitable for work? 3. Does the student have any hygiene issues that would not be appropriate within a community work setting? 4. Does the student travel independently throughout the school? 5. Does the student have trouble going up and down stairs? 6. Does the student independently use the restroom facility? 7. Does the student independently follow procedure for boarding and getting off the bus? 8. Does the student pay attention during instruction? 9. Does the student answer questions when asked? 10. Does the student answer questions when asked? 11. Does the student follow rules? 12. 3 4 13. Does the student follow rules? 14. Does the student need occasional prompting/redirection to compete work? 15. Does the student need frequent prompting/redirection to compete work? 16. Does the student seek out work when finished with their current work? 17. Does the student soek out work when finished with their current work? 18.
