Questions?
Jim Getman (518)332-8067

Dear Fraternal Brothers and Sisters,

We are asking for your help. Our lodge was built in 1984 and many of the major necessities need replacing. In the past 5 years we have replaced many items, they include updates in the social quarters, banquet rooms and bathrooms. We now need to replace our banquet room air condition, the boiler for winter heat and our sprinkler system. In the next few years we will need to replace the roof. All of these will cost approximately \$149,000. For us to accomplish these huge upgrades and replacements we are asking for your financial assistance. Please submit your donation to Johnstown Moose Lodge #1185 at 109 S. Comrie Ave, Johnstown, NY 12095. Thank you in advance for your generous contribution.
