

NOTICE TO ALL IRRIGATION USERS

It is in violation of CCCO § 04-05-07 for water from irrigation sprinklers to reach the roadway!!!

Penalties Include: Fines & Misdemeanor Prosecution

Standing water on the road progressively eliminates essential oil and causes substantial damages as well as hazardous conditions for all vehicles including motorcycles.

Please cooperate with your Highway Districts & Canyon County to save taxpayer dollars spent on costly repairs and potentially save lives!!!

Contact your local Highway District for more information or Code Enforcement to report a violation at 208-454-7458
