

How much will the work cost for my freehold purchase?

Most solicitors charge a fee proportionate to the value of the property, so the fee you will pay depends on the price you are paying for your property, together with a number of factors including the complexity of the title and your funding arrangements.

Our fees range from £1,300.00 plus VAT for a freehold property priced up to £500,000.00 and increasing up to £2,500.00 plus VAT for a freehold property priced up to £1,000,000.

Electronic transfer fee (inclusive of VAT)	£48.00
HM Land Registry fee	£150.00
Searches estimate	£350.00
HM Land Registry final searches	£7.00

Hourly rates

It may be necessary to agree an hourly rate with you, if it is not possible to give you an accurate estimate of the likely costs involved with your sale.

Our hourly rate is currently £260.00 per hour plus VAT for conveyancing matters.

All professional costs, whether fixed fee or hourly rate, are subject to VAT.

In what circumstances may the costs change?

We want to ensure you only pay for the service you receive, so, as an example, a simple freehold purchase with standard funding arrangements will cost less than a complex freehold purchase involving a lender who requires us to undertake additional work on its behalf.

Some factors which could typically increase the cost of the service you require are:

- if the legal title is defective;
- if the title is unregistered;
- if there is a management company that we need to engage with to ensure compliance with any regulations which may apply;
- if we need to obtain a certificate of compliance for a restriction on the title;
- if the property is subject to a rent charge;
- if we discover that the correct consents have not been obtained for alteration works;
- if you are obtaining financial contributions from third parties;
- if you are purchasing using a complex funding arrangement;
- if you have the benefit of a Help to Buy ISA or Lifetime ISA;
- if you are purchasing through an auction or from a lender under a power of sale, with tight deadlines to meet;
- if documents or information are requested from you or any other party, which requires our work to be duplicated;
- if the property is a new build or is being transferred out of an existing title.

Please note that this list is not exhaustive.

What are disbursements?

Disbursements are charges levied by third parties which apply to your transaction, and which we will pay on your behalf. These costs are fixed by the third-party supplier and we cannot influence them.

Which disbursements may apply to my purchase?

Any variation is accounted for on your completion statement during the course of the transaction.

In what circumstances will the above matters not apply to me?

It is important to note that the information above relates to residential conveyancing for individuals who are buying a property to live in. If any of the circumstances below apply, it is likely to involve additional work, or you may require advice from another department within the practice:

- if you are purchasing the property as an investment;
- if you are purchasing in the name of your limited company or a partnership;
- if the property you are buying is to be transferred out of an existing title and documents need to be drafted.
