At the Hundley Foundation, our unwavering commitment to driving positive change is at the heart of everything we do. With a multitude of focuses, we are dedicated to tackling a wide range of critical issues and making a lasting impact. From championing epilepsy and fostering epilepsy awareness and community development to our fatherhood program and providing gifts to families during the holidays, the Hundley Foundation is a dynamic force for change. We believe in the power of collective action and are resolute in our mission to create and support initiatives that focus on health, wellness, and education in disenfranchised communities.
