

**What was the most important thing(s) you have learned during your in-car driving instruction?**

- ✓ I don't have to be terrified of driving if I can be cautious
- ✓ How to properly approach intersections
- ✓ How to be a defensive driver and how to do maneuverability
- ✓ How to be a good driver
- ✓ Learned good strategies to ace maneuverability and learning which vehicles have the 'right of way'
- ✓ Maneuverability and how to do it, also how to effectively change lanes
- ✓ How to drive
- ✓ Maneuverability
- ✓ Always be 100% sure of the decisions you are making on the road and 'not assume' what others might do
- ✓ How to properly drive on the highway and learn how to overcome maneuverability which I was 'really' nervous about

**What did you enjoy most about your instruction?**

- ✓ I enjoyed building confidence by experiencing many different scenarios
- ✓ The friendly approach to instructions given
- ✓ He taught me well and fun at the same time
- ✓ Entertaining and patient instructor
- ✓ Detailed instruction and explained well
- ✓ He was a very good teacher and funny
- ✓ Professional, easy to understand, conversational
- ✓ How nice, kind, and respectful he was
- ✓ The feedback of good and bad. Positive attitude
- ✓ A good balance of driver and practical conversation, it made me feel less stressful and anxious about everything

**How did the instructor address your most serious driving difficulties?**

- ✓ He talked me through them and then guided me as I did them until I can do them on my own (Abigail)
- ✓ He explained things in a calm tone, reassuring me simultaneously
- ✓ He let me know what was wrong and continued to work on those things with me
- ✓ He walked me through the steps and explained what I did wrong and how to fix it
- ✓ Calm, detailed, collected. Did not try to rush or overwhelm
- ✓ He let me know what was wrong and didn't make me feel bad
- ✓ He would have me practice the difficulties after telling me how I did certain maneuvers incorrect and then teach me how to fix them
- ✓ I was 'very scared' to drive at the start and he brought me over my fear
- ✓ Asked questions to identify certain mistakes and asked how to solve/correct them
- ✓ He talked me through it, asked did I understand what went wrong, and what could have been done better
