

## Call for Research Papers

### Submit abstract to Dr. Akhteruz Zaman

[a.zaman@massey.ac.nz](mailto:a.zaman@massey.ac.nz)

Submissions are now open for papers to be presented at the JEANZ conference Sept 11-12, 2021. This is a F2F conference at Massey University Wellington campus, so no virtual attendance.

The papers should be of interest to journalism educators, which can be journalism, media, or education focused.

Original research papers will be blind-peer-reviewed, and given time for a short presentation at the conference. A full paper or powerpoint can be submitted afterwards to be included in our webpage "research" section.

Send an abstract of about 150 words.

Contact Zaman above for any questions.

For other commentary presentations that are not based on original research contact the conference organiser, Dr. Cathy Strong. [jeanzofficial@gmail.com](mailto:jeanzofficial@gmail.com)

See our webpage for updates on the conference <http://jeanz.org.nz/>
