Incident 1.

Official ASDP Incident Report

On July 24, 2023, at 8:32 p.m., Sandra was driving northwest on Galm road and noticed a bright white light in the sky also in a northwesterly direction. She stated that the object was moving extremely

slow and was not a cloud. As she was driving, Sandra was able to take few pictures while driving with an iPhone 10 phone. Sandra also says she has seen the same UAP before but didn't get a chance to take any pictures. Nothing more to report on the sighting.
