Reference: Turner Rescue Subscription Program

You may not be aware that Turner Rescue offers a subscription plan that could save you, as an individual or a business, potentially hundreds of dollars if you were ever to be transported by Turner Rescue. We now offer a subscription plan to all Leeds residents.

For an annual fee you, your family, or your business would not be billed by Turner Rescue for the co-pay or charges your insurance does not cover for Emergency Medical Services. If you have no insurance at all, the entire bill would be paid.

Whether you are in good health or poor health, have insurance or not, the once - a - year- subscription fee will pay for itself if you have to use Turner Rescue.

The subscription plan is renewable at the beginning of each year, and enrollment can happen during any part of the calendar year. All funds by this plan stay within Turner Rescue and will not be used for any other purpose. We ask that you consider this plan. We would like to help save you money if you have to be transported to the hospital by Turner Rescue.

Thank you,

If you have any question please contact Chief Bennett at Turner Rescue @ 225-3353
