**Omega Healthcare Services**

G2 Enterprise House Foleshill Enterprise Park, Courtaulds Way, ., Coventry, ., CV6 5NX, United Kingdom

**4. Policy**

4.1 Omega Healthcare Services recognises that it has a responsibility to ensure that reasonable precautions are taken to provide and maintain working conditions which are safe, healthy and comply with all statutory requirements and codes of practice relating to its activities.

4.2 Statement of Intent

Omega Healthcare Services acknowledges and accepts the responsibilities placed on it as an 'Employer' by the Health and Safety at Work etc. Act 1974 and other relevant legislation. Omega Healthcare Services considers that a safe and healthy working environment is a prerequisite to achieving the safe, high-quality Care. Omega Healthcare Services provides a safe working environment for its staff and those who work on its behalf.

Omega Healthcare Services will provide and maintain a healthy and safe working environment to minimise the number of instances of occupational accidents, incidents, illnesses and near misses. Through the implementation of the Health and Safety Policy, Omega Healthcare Services is committed to the following objectives:

- | To provide, as far as reasonably practicable, a safe and healthy working environment, safe premises and facilities for staff, Service Users, contractors and others who work on its behalf
- | Maintaining the workplace in a safe condition and providing adequate facilities and arrangements for welfare at work
- | The provision and maintenance of equipment and systems of work that are safe
- | Putting in place arrangements for ensuring safety in connection with the use, handling, storage and transport of articles and substances are in place
- | Providing information, instructions, training and supervision as is necessary to ensure the health and safety at work for its employees and other persons
- | Health and safety policy, standards and management systems (including procedures and work instructions) will be defined, documented, implemented and maintained
- | Creating for staff, as far as is practicable, a working environment where potential work-related stressors are avoided, minimised or mitigated through good management practices, effective human resources policies and staff development
- | Ensuring, as far as reasonably practicable, that risks associated with travel by staff for Omega Healthcare Services are appropriately managed
- | Making sure that all staff are aware of their health and safety responsibilities and know what is expected of them and what they must do to discharge the responsibilities assigned to them
- | Providing access for staff to appropriate training and development to enable them to discharge competently the responsibilities assigned to them
- | Having an effective system for communicating and consulting on health and safety matters and securing the co-operation of staff, Service Users and commissioners in implementing the Health and Safety Policy and Procedure
- | To have in place arrangements to plan, implement, monitor and review measures to address risks arising from the activities of Omega Healthcare Services
- | To strive to continuously improve the health and safety performance at Omega Healthcare Services
- | Ensuring the appointment of a competent person to support Omega Healthcare Services in meeting its statutory health and safety duties
- | To provide sufficient resources with which Omega Healthcare Services can effectively discharge their duties in maintaining a healthy and safe working environment for all who work and live in the premises of Omega Healthcare Services

4.3 Omega Healthcare Services reviews its health and safety systems and procedures as often as necessary and at least annually, to ensure that they reflect legal responsibilities associated with applicable:

- | Health and safety law, regulations, approvals, licences and other legal requirements
- | International, national and regional standards
- | Industry codes and best practice

Omega Healthcare Services

G2 Enterprise House Foleshill Enterprise Park, Courtaulds Way, ., Coventry, ., CV6 5NX, United Kingdom

- Contractual requirements
- Expectations of regulators and other key stakeholders

Systems and procedures are made available to those working for and on behalf of Omega Healthcare Services so that they are aware of their individual health and safety obligations.

A health and safety management structure is implemented to support the delivery of health and safety policies, systems, objectives and targets, to review health and safety performance and respond to health and safety incidents.

4.4 Omega Healthcare Services Limited is charged with implementing this policy by use of a suitable safety management system.

Mrs Marjorie Muchawaya seeks and expects the full co-operation and support of Omega Healthcare Services to ensure that the Health and Safety Policy and the arrangements that are put in place to support the objectives of the policy are implemented effectively.

Mrs Marjorie Muchawaya will have day-to-day responsibility for ensuring compliance with this policy.

The Health and Safety Policy 'Statement of Intent' at Omega Healthcare Services will be ratified and signed by Omega Healthcare Services Limited. This signifies the commitment of Omega Healthcare Services to ensuring that the successful management of health and safety is of paramount importance within Omega Healthcare Services.

A copy of the Health and Safety Policy 'Statement of Intent' is displayed in a prominent location at Omega Healthcare Services and will be reviewed at least annually.

4.5 Health and Safety Responsibilities in Omega Healthcare Services

Executive

- Omega Healthcare Services Limited is responsible for safety in Omega Healthcare Services and monitors the Health and Safety Policy and Procedure on a regular basis
- Omega Healthcare Services Limited is sufficiently informed on health and safety matters to ensure that sufficient resources are available to provide any health and safety equipment, clothing, information and training for employees in order, as far as is reasonably practicable, to achieve and maintain high health and safety standards

4.6 Safety Officer

The Safety Officer is Registered Manager, unless indicated otherwise by a notice on the main staff noticeboard of Omega Healthcare Services. The responsibilities of Registered Manager are to:

- Maintain safety records
- Ensure that employee and Service User risk assessments are in place, proportionate and up to date
- Investigate accidents, incidents and near misses, with a view to the prevention of future occurrences
- Record and monitor accident, incident and near miss statistics
- Keep a watching brief on changing safety legislation
- Report directly to Mrs Marjorie Muchawaya of Omega Healthcare Services on matters of health and safety
- Ensure that the obligations of Omega Healthcare Services with respect to assessment, control and monitoring of hazardous substances are met
- Ensure that the recording of specified incidents is carried out in accordance with RIDDOR (Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013), by ensuring that the Accident and Incident Reporting Policy and Procedure is followed and that all accidents are recorded, using the form attached to that policy
- Ensure that Nuneaton and Bedworth Borough Council is informed of any accidents or incidents involving Service Users that meet their local reporting requirements
- Ensure that the CQC is notified in line with statutory reporting requirements

4.7 Team Manager (where this differs from the Registered Manager)

Where there are no designated team managers, Mrs Marjorie Muchawaya fulfils this role. Team managers have the responsibility to provide leadership and to promote responsible attitudes towards health and safety.

A team manager will:

- Ensure that each new employee is given induction training, including the precautions and procedures

Omega Healthcare Services

G2 Enterprise House Foleshill Enterprise Park, Courtaulds Way, ., Coventry, ., CV6 5NX, United Kingdom

appropriate to their specific jobs. All new members of staff will be shown the location of first aid boxes, fire exits and firefighting equipment

- | Ensure that all staff are aware of the Health and Safety Policy and Procedure, have access to the QCS Online system and are aware of the QCS Mobile App
- | Keep up to date with health and safety matters applicable to the operations of Omega Healthcare Services
- | Investigate all accidents with the assistance of Mrs Marjorie Muchawaya, with a view to the prevention of further occurrences
- | Ensure that good housekeeping standards are applied
- | Periodically review all new and existing equipment with reference to mechanical and operational safety and, in particular, the location of all equipment, bearing in mind all health and safety factors. This includes equipment within the Service User's home
- | Carry out regular safety checks and audits

4.8 Supervisors

Supervisors have the responsibility to provide leadership and to promote responsible attitudes towards health and safety. Supervisors must ensure that all tasks carried out in their sections are performed with the utmost regard for the health and safety of all those involved.

Accidents must be reported immediately to the Team Manager or Mrs Marjorie Muchawaya. Particular regard will be paid to:

- | Equipment and its usage to ensure that it is safe and does not endanger health
- | The provision of safety arrangements for the handling, storage and movement of materials, equipment and substances
- | Supplying sufficient information, instructions, training and supervision to enable staff to avoid hazards and contribute positively to their own health and safety at work
- | Inspecting, on a regular basis, equipment such as lighting, passageways, fire alarms, fire escapes, fire extinguishers, first aid facilities and work practices, in order to ensure their efficiency and maintenance
- | Ensuring that staff and visitors are aware of emergency procedures, and that Personal Emergency Evacuation Plans (PEEPs), if required, are written and practised

4.9 Staff

Employees have duties under the Health and Safety at Work etc. Act 1974 and will:

- | Do everything they can to prevent injury to themselves, fellow staff and others affected by their actions or omissions at work
- | Follow company procedures, in particular, to report any incidents which have or may have led to injury or damage. To neglect this responsibility can lead to prosecution by the Health and Safety Executive
- | Inform their line manager of any work situation where there is a serious and/or immediate danger to staff and to identify any shortcomings in the health and safety arrangements for protecting staff and others
- | Report conflict between the demands of safety and their job and will raise the matter immediately with their supervisor
- | Check that work areas and equipment are safe prior to use, and use any work equipment in accordance with the training and instructions provided, bringing to the notice of managers any defective equipment which may cause an incident
- | Dress in line with the Appearance Policy and Procedure and appropriately for their working environment and their work activities
- | To follow the Lone Working Policy and report any personal safety concerns to Omega Healthcare Services
- | Ensure that they understand the system at Omega Healthcare Services for reporting incidents, accidents and other health and safety risks, and that they use these systems when necessary and to ensure that they read, understand and follow all appropriate health and safety policies, procedures and other documentation at Omega Healthcare Services, and attend scheduled training sessions

Omega Healthcare Services

G2 Enterprise House Foleshill Enterprise Park, Courtaulds Way, ., Coventry, ., CV6 5NX, United Kingdom

4.10 Health and Safety Poster

Omega Healthcare Services will display a Health and Safety Poster and ensure it is kept up to date. Registered Manager, as the Health and Safety Officer, will have their name clearly displayed.

4.11 First Aid

Omega Healthcare Services have undertaken an assessment of first aid needs and provided sufficient equipment and suitably trained personnel accordingly at Omega Healthcare Services.

5. Procedure

5.1 Risk and Hazard Management

- | Risk assessments will be carried out to evaluate and adequately control hazards, to ensure the health, safety and welfare of staff and others who may be affected by the work activities of Omega Healthcare Services
- | Risk assessments will be recorded on the appropriate Omega Healthcare Services document in accordance with the Risk Assessment Policy and Procedure at Omega Healthcare Services
- | Arrangements are in place for putting into practice the preventative and protective measures that follow on from the risk assessment
- | Risk assessments will be regularly monitored and reviewed to ensure they remain suitable and sufficient. They are updated in accordance with legislative and contractual requirements, standards and codes of practice
- | The outcomes of risk assessments will be readily available and communicated to staff. Staff receive instructions and training associated with the level of risk identified and the control measures taken to prevent or control risks
- | Service Users and employees are involved in the development of risk assessments and Omega Healthcare Services will seek their feedback and act on any concerns
- | Risk assessments in relation to Service Users will be kept in the Service User's home and staff informed of their location

5.2 Accident and Incident Reporting

- | In the event of an accident/incident, staff will ensure that a detailed entry of the event is recorded on an accident form and will notify their line manager who will subsequently determine, in conjunction with the Health and Safety Committee at Omega Healthcare Services, where appropriate, if notification is required under [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#)
- | Where an accident/incident has occurred, it is necessary to carry out a review of the risk assessment of the task being undertaken at the time, to ascertain if additional precautions, an alteration to the method of work or additional control measures are necessary. This must be written down and the conclusions clearly defined and acted upon
- | As a learning organisation, Omega Healthcare Services will use the information to prevent re-occurrences, where reasonably practicable
- | If an accident, incident or near miss involves a Service User, Nuneaton and Bedworth Borough Council's Safeguarding Team will be informed as will the CQC. Omega Healthcare Services will be aware of their requirements in relation to the Duty of Candour.

5.3 Monitoring Compliance and Effectiveness

Line managers will undertake ongoing monitoring to ensure staff compliance with the policy, with observations for improvement passed to Mrs Marjorie Muchawaya for review.

The policy document itself will be reviewed by Mrs Marjorie Muchawaya and Omega Healthcare Services Limited on an annual basis. The effectiveness of this policy will also be monitored by the Health and Safety Committee at Omega Healthcare Services. This review may include:

- | Audit
- | Risk assessment

Omega Healthcare Services

G2 Enterprise House Foleshill Enterprise Park, Courtaulds Way, ., Coventry, ., CV6 5NX, United Kingdom

- | Systematic inspections
- | Incident and accident statistics
- | Sickness and ill health statistics
- | Risk registers

Items identified as requiring significant amendment will be referred for authorisation before being actioned to Omega Healthcare Services Limited who is responsible for health and safety on behalf of Omega Healthcare Services.

5.4 Health and Safety Policies and Procedures

Omega Healthcare Services will ensure that staff have access to the Health and Safety Policies at Omega Healthcare Services via the QCS system and are aware of the QCS mobile app as a way of accessing policies and procedures. These policies will be reviewed by Mrs Marjorie Muchawaya to ensure they dovetail with both the procedures at Omega Healthcare Services and any local or contractual procedures. Care Workers will be provided with a Staff Handbook when they start work with Omega Healthcare Services and all staff will undertake an induction which will include Health and Safety training, policies and procedures. Omega Healthcare Services will follow the Care Certificate standards for new care staff.

6. Definitions

6.1 Competent Person

- | A competent person is someone who has sufficient skills, knowledge and experience to complete the task

6.2 As Far as Reasonably Practicable

- | This refers to the degree of risk in a particular activity or environment which can be balanced against the time, trouble, cost and physical difficulty of taking measures to avoid the risk

6.3 Hazard

- | A hazard is anything that has the potential to cause harm, e.g. chemicals, electricity, working from ladders, noise etc.

6.4 Risk Assessment

- | A risk assessment identifies all significant risks associated with a company's operations through considering the likelihood and consequences of any harm that may occur as a result of contact with the hazard. A risk assessment also considers how this risk will be managed to reduce the risk of harm arising

6.5 Safe System of Work

- | This is a safe method of carrying out a task, a bit like a step by step guide to safe working practices. Not all tasks can eliminate harm completely. However, by having a safe system of work in place, the likelihood of harm is greatly reduced through various control measures

Key Facts - Professionals

Professionals providing this service should be aware of the following:

- | Health and safety is everybody's responsibility and staff must escalate concerns to their line manager. Where concerns are not acted upon, staff must follow the Whistleblowing Policy and Procedure at Omega Healthcare Services
- | Managers can find an overview of different safety systems across the health and social care sector in relation to their organisations and the measures it puts in place to manage this
- | Managers are to ensure that staff have access to this document and training in the key areas which relate to their roles so that they can effectively implement this procedure through their work to ensure effective safe service delivery

Key Facts - People affected by the service

People affected by this service should be aware of the following:

- 1 You and your family have a right to be cared for by Omega Healthcare Services who has policies in place to support you
