

8 STALL SHOWER SPEC SHEET

Our 8 Stall Shower trailer is perfect for accommodating larger groups of people, and is the preferred choice for onsite work facilities, festivals, and glamping events. Originally designed for disaster relief efforts, this unit is a great choice for emergency situations.

This multi-stall unit has two exterior doors (male and female). The male and female sides are identical, equipped with four showers with individual private dressing areas, and two sinks.

This trailer can be completely self-contained, or run using power, water, and propane hook ups. Rental options include daily, weekly, monthly and long-term.

Additional available services include generators, fill of fresh water holding tank, scheduled waste removal, stocking and cleaning, and restroom attendant.
