

Vintage Beverage Cart

About This Trailer

Our vintage series bar cart is a classy mobile beverage solution that you will love! This bar is equipped with a sink, multiple refrigerators, and an ice well to make bartending at your event a breeze. Your catering and bartending staff will love the opportunity to serve with the amenities offered in this full-service wet bar.

You can pair the beverage cart with our vintage series 2-stall restroom to complete the look, or book the bar cart on its own.
