PROFESSIONAL SUMMARY

I am a detail-oriented graphic designer with over 16 years of experience creating custom flag and banner designs for professional sports teams and major universities. I excel at turning concepts into polished products — from initial mock-ups to final production files — while maintaining accuracy, consistency, and strong visual impact. Known for my creativity, problem-solving, organization and ability to manage multiple fast-moving projects, I bring a deep understanding of sports branding, licensed assets, typography, and layout. I excel at independent, self-directed work while also able to collaborate smoothly with others, delivering high-quality designs that meet strict brand standards and tight deadlines.
