Upon arrival we will start with a pre-flight briefing after which you will experience a scenic flight along the southern banks of the Hartbeespoort Dam and down the Hartbeespoort valley, in a 5-10km radius.

Your adventure will be concluded with a post flight debriefing.

Training flights take place early morning (from sunrise) or late afternoon (from about 16:00) - available timeslot can be discussed when arranging your booking.

Our instructional training flights are weather dependent and only take place in smooth conditions that allow us to launch, fly and land safely.

PS: Safety recalls may be made at short notice.
