Lunch & Dinner MENUS

NW Sausage & Deli was established in 1983 by Dick Young. His vision was to create a place where everyone can enjoy Old World style smoked sausage. Today we produce the finest sausages and deli products around. Each are prepared to Dick's original recipes and smoked right here, preserving Dick's Dream. In 1994, Dick launched Dick's Brewing Company to combine his two favorite passions: smoked meat and beer. You can now enjoy over 20 different varieties of craft beer produced by one of the Pacific Northwest's first craft breweries. The Dick's crew is now led by Dick's daughter, Julie Pendleton. All of us at Dick's are proud to continue the dream & legacy that our founder started, and we are grateful to have you along for the ride. Cheers!
