Hi Elizabeth,

I would like to spend some time with Sierra and would like to have her for a couple of weeks. Please let me know, the weather is nice and I have a great place.

We will be sure and wear masks and gloves as I do and we are very safe.

PS: Additionally Dana and I are talking about the 6th and the 7th to spend some time together. I would like to have her for those days as well.

Daniel, you can take all three children at the same time as that is the agreement. You can celebrate with Dana and all of the children during that same time. Let me know the dates and address of where you'll be staying with them.

Hi Elizabeth,

Wait for the decree does not state that I am pushed to have all three, only that you make them available, so I am simply asking that you make Sierra available to me for a few weeks, Dana on the 6th and 7th and then say Jordan like last two weeks of June. This doesn't need to be all or nothing, the decree does not state such things, so I would like to ask again that I have Sierra for a few weeks, Dana on the 6th and 7th, and maybe Jordan the last two weeks of June.
