THE TOP THIRTY REAL ESTATE PROFESSIONALS IN MIAMI

WHO ARE THEY

HOW THEY DO IT

We are privileged to introduce in these pages the Founders of the Prodigy Platinum Club. They are Real Estate Professionals from different companies that have contributed to our project's unequalled sales success and outgrown their peers in the process.

Members of the Prodigy Platinum Club will not only be eligible to participate in our Seminar, but also earn upfront commissions in participating projects, larger referral fees, periodic market and project updates, VIP invitations to multiple events, plus direct marketing support.

The Prodigy Platinum Club and the American Express Prodigy Platinum Card were created to award the real estate professionals that believed in us and the projects we represent.
