To our North County Parkinson's Support Group,

2020 is winding to a close and what a year it has been! Covid-19 has completely changed the world as we know it. Even though our events continue via Zoom and we have not been able to resume meeting physically, our expenses continue. From printing and mailing the newsletter to financial support for programs that help our Parkinson's community here in North County to our Zoom account, we still have financial obligations and need your support. We cannot do it without you.

We are a 501c3 and as such your donation may be tax deductible. Please know that every dollar stays here in North County to support our mission of supporting you and your loved ones on your Parkinson's Journey. There are three ways you can donate.

You can contribute on Facebook at

<https://m.facebook.com/NorthCountyParkinsonsSupportGroup/>

There is no fee to do this.

You can donate on our website at [NCPGS.org](http://NCPGS.org).

You can mail us a check made out to the  
**North County Parkinson's Support Group (or NCPGS),**  
PO Box 230566, Encinitas, California 92023

Thank you for your support.
