April 2024

A Note from Fred

Sometimes, we use hyperbole when we are sharing information. “I caught a fish as big as a house.” We all know that is not the case, but the exaggeration creates a good story!

Recently, someone mentioned that the Serenity Garden was full of weeds. I thought it was an exaggeration until I walked over there to see it myself. The labyrinth was full of dandelions and other unwanted greenery. The Serenity Garden is a place where we meditate and reflect as we walk through the labyrinth. However, the weeds had created a major distraction.

I received this photograph from the Community Garden Team on Monday, April 1. Arlene Hamilton, Letitia Rutan (photographer), Benita Miller, Johnna Breedon, Vanessa Ferrero, some dedicated teenagers and kids made a huge impact in our church community. I imagine they earned many jewels for their crowns by this act of kindness—and that is no hyperbole.

Grace and peace,

Fred

Look at the saints who cleaned up Serenity Garden!

Inside Workday

Join us Saturday, April 6 at noon for a couple of hours as we remove items from the youth rooms that are no longer being used. Central Presbyterian Church has been making our community better for more than 170 years. That is a long time. We moved into our building in 1918, and began making a bigger impact. Over the years we have accumulated many things that were very valuable to the ministry at that time, but today some of these items are no longer being used and it is time for us to let them go. We need you to help us on April 6. Come join us and we will make quick work of this project.

Lay reader or liturgist?

Two terms that mean assisting in worship, reading the scripture, and leading other parts of the worship service on

Sunday morning. We have a new year of worship opportunities with an opportunity for new leaders. Please contact Alex Galeti at 516-473-4748 (call or text) or e-mail AlexGaleti@RaymondJames.com to learn more.

Jesus is calling—you?
