News        Health Care

Martin Green, health-care security specialist for Garda, is the first Canadian to be awarded the IAHSS Presidential Award. The International Association for Healthcare Security and Safety handed out awards at its Annual General Meeting on May 7 at the Hilton Hotel in Myrtle Beach, S.C. The AGM was held in conjunction with the International Healthcare Security & Safety Foundation (IHSS Foundation) Recognition Dinner.

The presidential award was presented to Green by IAHSS immediate past president Bryan Warren "in recognition of outstanding contributions, dedication and service to the Association and to the field of healthcare security and safety."
