Fostering is the gateway between neglected and abused animals to their forever and happily ever after lives. When you foster, you agree to take a homeless animal into your home and give them love, care and attention, either for a predetermined period of time or until the animal is adopted. Fosters' care can truly heal and mend broken bodies and spirits both human and animal. There is no fee for fostering; however, we appreciate if the foster parent provides food at your own cost for foster animals.

Adopting an animal is a meeting of the heart as well as of the mind. It is a lifetime commitment to an animal that will be your loving companion and your best friend. StoryBook Rescues, Inc. (SBR) thanks you for your interest in one of our animals. To assist us in continuing our rescue work, SBR requests Adopter pay an adoption fee of \$_____ (\$50 will be reimbursed once SBR receives proof the pet was spayed/neutered). The fee helps SBR with expenses incurred by saving this and future animals.

This application helps determine if you are ready to properly care for an animal and helps SBR match the best pet to your lifestyle. Keep in mind, completing an application does not guarantee adoption of an animal.
