

Summer will be upon us shortly. This brings thoughts of joining the Southern Hills Swim Team. We had a great summer last year with our friends. Steve Boyce, Head Coach, is returning for his fifteenth summer. Steve is a teacher and coach during the school year and truly has the development of good swimmers and great citizens as his goals. Sophia Hawley and Carsyn Anderson will be returning as Assistant Coaches. Sophia is finishing her Sophomore year at MSU. This will be her 3rd summer with the Dolphins. Carsyn is finishing her Sophomore year at BYU. Carsyn has grown up at Southern Hills. This will be her second summer coaching the full team.

2024

We will run the traditional six-week season starting June 3 and finishing July 11. We will have 4 regular season meets in weeks 2-5 and a Championship on July 11. We are part of the Neighborhood group for the Championship. The teams are Southern Hills, Spring Creek, Cinnamon Square, Emerald Park, Wild Horse.

Information/Sign-Up Meeting – Tuesday, May 14, 2024

All new families are invited to attend the 6:30 pm meeting. This meeting will be a swim team orientation for those families new to swimming or summer league. Steve will talk about helping you and your child to be successful at the first practice, first meet, and subsequent practices and meets. Please plan for all of this to take about 30 minutes. Steve and Julie's daughters are 21 and 23 years old. Kelsey just graduated from MSU with a Business Degree. She is working a full-time internship this Summer at AWG. Jordan just finished her first year of teaching at Parkview HS. She will be taking the FACS teacher at Pershing MS next year and is the Head Coach at Emerald Park.

All returning families are invited to attend the 6:30 pm meeting as well, but you may also just drop off your forms. There is again just one page (front and back). Steve will be at the pool from 6:15-7:30pm. The preference is that you bring your paperwork and payment then.

Team Suits

We are going to do a SwimOutlet.com team store. You will be ordering suits directly this way. Team suits are not required. More on this will be come to you on email shortly after the Info/Sign-Up meeting.
