We wanted to share with you about the Mid-Winter Gathering, put on by Chapter F – River City Wings of Sacramento (March 26th). Plenty of motorcycles came despite the name of the event. There were folks from multiple states, from all the chapters in California, from State Staff, from Regional Staff and from National Staff. Needless to say, it was well attended, and fun was had by all. It is always great to get together with friends and as the name would imply this was a chance to gather after a long busy winter holiday season.

We all know what great cooks we have in GWTA so you can just imagine what the potluck dinner spread was like to go along with the Chapter F provided ham. And then there was the dessert table; yes, I said there was a whole table dedicated to desserts, and they were all incredible.

They had loads of fun, silly games to play with prizes for all the winners. There were some great raffle prizes and of course there was 50/50. Vases filled with plenty of flowers were given out at the end to bring on the next season.

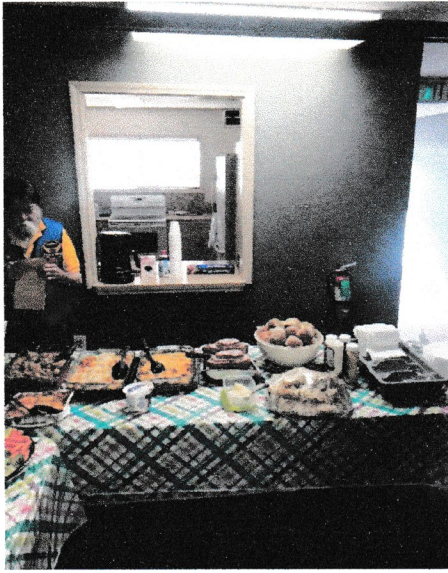

We will be looking forward to their next event.
