This is a 2006 GL1800 with an audio comfort package and a Champion Trike conversion. Due to the owners health, he has since passed away, it wasn't ridden for a couple of years, but was started occasionally.

The phone number on the listing is for his wife, Tammy but if you have any technical questions you can contact Robert Taylor @ 925-332-8195.

A new battery was installed and the motorcycle fired right up. I took it for a ride and everything seems to be working fine. The rear brake rotors will either need servicing or replacing as they are rusty. The brake and clutch systems fluids will need to be flushed and changed.
