From Harry –

Summer is coming to a close but we are fortunate in this area to be able to ride most of the year. You will want to pay attention to your tires and do maintenance of battery, lights, etc on your motorcycle. Keep the motor running, by starting and riding often. Or use your tender if you are storing your bike. And the polish is important to me; keep it looking good! We had to cancel a meeting and an event, but we should be able to enjoy many outings in the coming months. See you in our meetings and at lunch rides!

July drive to Tahoe --

Beautiful weather, same wonderful trees and rocks along the highway.

This was the scene on many of our past rides heading into the mountains.
