The Green's Corner

Hi Everyone

Well we all made it through another end of the year and have launched into 2022. We can all hope for a much better year and the return to “normalcy”.

In the last article of last year, I indicated that, “In January, I will talk to iHop to find out the status for us returning for our meetings. Of course this will all depend on what happens with COVID between now and then. For me, I certainly hope we don't get anymore surges with the colder weather and more of us being inside. If we are able to return, I will make sure the information gets out early enough so you can decide to attend or not.”

During the past several weeks, I have done a lot of mind and soul searching about the possibility of returning to in-person meetings. After checking with a few people, some said they were comfortable with meeting and others did not. If we were to hold a meeting it would only be a few of us based on what I heard from others. In my case, I would not be attending an in-person meeting at this time. I just have too many other obligations to risk being exposed to COVID of any type.

Even with Cabrillo, where the motorcycle courses are still being conducted, we are not allowed to have in-person classes. At first we thought that might change this month but now has been postponed to at least April. Even though we have a maximum of 16 students in a class, it is impossible to “social distance” in the classrooms. Even outside, the program requires we maintain the social distancing requirements.

As the year moves along we can discuss the meeting situation further as situations change in relation to COVID.

I wish you all the best in the coming year.

Take care of yourselves!!!

Doug and Lori

**SAUSAGE DIP
FOR THE
SUPPER BOWL LVI**

Yields: 8 - 10 servings
Prep Time: 0 hours 1 min
Total Time: 0 hours 10 min

Ingredients:

- 1 lb pork sausage, like Jimmy Dean
- 8 oz cream cheese
- 1 C chunky salsa
- Thinly sliced scallions &/or chopped cilantro - optl.

Directions:

Heat a 10-inch cast-iron skillet over medium heat until very hot. Add the sausage and break up into small pieces with a wooden spoon. Cook until no pink pieces remain, about 6 minutes. Reduce the heat to medium-low. Add the cream cheese and break up into smaller pieces. Add the salsa and stir well to combine. Continue to stir until all of the cream cheese is melted, about 3 minutes. Top with scallions and cilantro and serve right out of the skillet, with tortilla chips on the side.
