Historical Bottle Collectors since 1966

April Program

As of the publication date of this newsletter we do not have anyone lined up to give a talk or presentation at the meetings for April, May or June. Yikes!! See Betty's president's message to see what she would like us to do this month. Our club is still looking for a member to take on the job of Programs Director. Please think about offering your service to take this position. We have many members who would be willing to give short talks on pieces of their collections, they just need to be gently "coerced" by the official club Director. And maybe you could look to friends, family members and co-workers who would be willing to give a short talk to our group about almost any topic relating to antiques, collecting, history or current events. We would all support you and your efforts wholeheartedly!

PRESIDENT'S MESSAGE

April 2024

It's hard to believe the April meeting is upon us already! Easter snuck in there so quick! I hope everyone had a wonderful holiday! Thank you to Bob Temerantz for running the March meeting and to Steve Mares for the program. Speaking of programs, our lack of a Programs Chair has finally caught up with us, and we have no scheduled speaker for our April meeting May and June are open as well. For this meeting, we will do a special show and tell Everyone please bring a special item to talk about Perhaps a family heirloom or something from your special collection! It will be fun to have everyone participate!

I also want to let everyone know we had a financially successful show this past February and a report will be shared at the meeting.....be thinking of ideas for recipients of our donations!

March Program

Thank you to Steve Mares for providing some historical perspective to the bottle situation in Philadelphia in the mid 1840s and 1850s. Philadelphia had no bottle makers at that time, despite being a large city. The shortage of bottles led to empties being stolen from the bars, the labels or embossing being removed by grinding or melting, and new embossing being "branded" onto the bottles with a hot iron. By the late 1850s the problem was somewhat mitigated by manufacturers adding chemicals to the glass that would cause the glass to deform if it was reheated, and eventually new manufacturers arrived. Steve showed a nice collection of Philadelphia stout and porter (beer) bottles from this era.

March Show & Tell

Lisa brought a nice bit of "Arizonabilia" in this souvenir apron, and a William Ault bowl from England, late 1800s.

Jackie dug this unfinished quilt out of her closet. It was stitched in the 1930s, perhaps, and appears to display a sort of Family Tree.

Raffle items included a pretty French plate with an oriental motif, vintage food containers, Coca-Cola bottles and Fall tapestries.

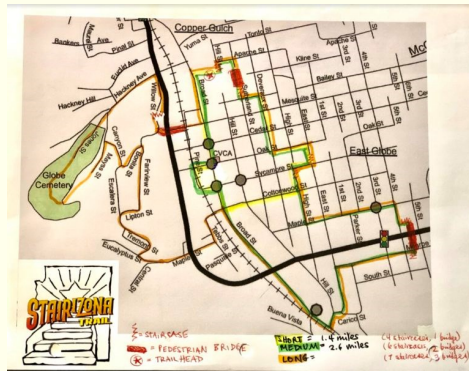

Upcoming Club Trip to Globe/Miami

The annual Club Spring Trip this year will be to the adjoining towns of Globe and Miami, Arizona, May 4-5. Globe and Miami historically are mining towns in central Arizona, and they have sort of “rebranded” to a tourist destination with an art community, antique shops, Bed-and-Breakfasts, museums and nearby outdoor recreation sites. Thank you to Trips Director Lauren Kormylo who has once again managed a very nice itinerary for us. Many of us will be staying at the Best Western Copper Hills Inn; if that hotel is booked up and you would like to attend, you may still be able to find rooms available at another hotel. On Saturday members of our group may shop or visit some of the local sights. Then we will gather for socialization and Show-And-Tell of items we may pick up during the day, followed by dinner at a local restaurant. Lauren will provide a list of shops on the route, and she also has organized an optional tour of the historic Gila County Sheriff’s Office and Jail (10am, One hour, \$10 per person) which opened in 1910 and may be haunted. Some other locations of interest are the Besh Ba Gowah Archeological Park, the Bullion Plaza Culture Center and Museum, the Gila County Historical Museum, the Boyce Thompson Arboretum, and the art-filled urban Stairizona Trail. Contact Lauren (owl4343@msn.com) and attend our April meeting to get more information.
