

INTERIOR PAINT TYPES AND USES

PORCARO POWER PAINTING

We use several types of quality materials in the work we do. To achieve the best possible finishes available in the industry, we often partner with reputable companies such as:

[Miller Paint](#)

[Sherwyn Williams](#)

[Benjamin Moore](#)

[Kelly Moore](#)

Interior Painting

For interiors, we love the finishes of Miller Paint's [Evolution®](#), which offers a large selection of modern colors and lush finishes to enhance interior millwork packages. Our application of Benjamin Moore products in [Advance and Satin Impervoe oil](#) is second to none.

Color Matching

We specialize in color and product selections, as well as meeting the desires of our clients. With computer correspondence we are capable of matching colors from almost any palette to within 99% true color frames. We hope to serve you using these quality products partnered with our superior craftsmanship.
