# DAZZLING DRIVES

# ABOUT OUR COMPANY

Dazzling Drives Ltd is born out passion for clean cars. Detailing sums up the ultimate care for your car. Our love for cars pushed us to explore the world for products that will fulfill every car owner's dream.

In search for the best, we came to partner with System X Ceramic Protection®. Like no other product, System X Ceramic Protection® provides paint protection with previously unachievable levels of gloss, durability and chemical resistance, proving to be the best ceramic protection in the world.

# OUR HISTORY

We started our journey in 2018, through experiencing & observation of our cars' rapid deterioration due to incorrect wash techniques and U.V. Rays. This forced us to look for products globally that were able to combat these common problems with cars in Kenya. Through years of research in the global automotive market, Dazzling Drives Ltd was incorporated in partnership with System X Ceramic Protection.

With an eye for detail as we perfect every panel, of your car to the best by restoring your vehicles body and interiors to a pristine condition for an everlasting new look & feel. From our detailing packages to our System X Ceramic Protection® Packages, we have so much to offer you in addition to solutions for various types of detailing issues.

At Dazzling Drives, we go the extra-mile to make your car feel special and cared for simply because your car deserves the best. Keeping you in mind, we want to make every drive feel like a new car's drive.

# OUR SOLUTIONS

## Pro Car Wash

- Exterior Snow Foam Wash - Leaves your car with a silky sheen to last for weeks.
- Interiors Detailing - Full vacuum & thorough clean leaving your car smelling fresh with our complimentary long lasting cabin air fresheners.
- Glass Polishing - German Technology for a streak free clean of all glass surfaces leaving a sparkling shine after the polish.
- Interiors & Tyre Shine - Drive out with a Dazzling Shine!

## Ceramic Protection

- System X Ceramic Protection - A product designed & manufactured in The USA, brings next-generation protection for your premium luxury cars, airplanes & yachts.
- Protects against scratches\*, U.V. Fading and other elements, System X brings a Deep Luscious Shine to your car - as if dipped in a mirror!

## Vehicle Detailing

- A first in Kenya, our Advanced Paint Correction & Restoration (PCR) Technology, brings back old and faded paint to it's original vibrancy with added deep luscious shine.
- Interiors Detailing - Extreme detailing includes thorough cleaning of all interior parts, restoration of all blacks on vinyl & plastic panels, deep cleaning and conditioning of fabric and leather seats.
- Engine Bay Detailing - Advanced Vapour Cleaning Technology to remove all dirt and grime and restore engine bay panels to a brand new look.

*Harnessing Nanotech Surface Protection Technology*

# system X CERAMIC PROTECTION

System X Ceramic Protection - A product from The USA, is a specialty coating developed for the aerospace / marine / automotive industry. System X Ceramic Protection origin began in Connecticut back in 2010 as a specialty coating R&D company specializing in the aerospace industry. Coatings were developed for the likes of Sikorsky, Bombardier, as well as predominant airlines internationally. Clients of this caliber demanded cutting edge innovations for the unique challenges they faced, which we were sure to deliver. One of these challenges was Sikorsky's requirement for an easy to clean, hand-applied coating to protect paintwork around helicopter exhaust ports. All other solutions would melt off during the first flight, leaving the paint to become fouled by the exhaust. We were asked to create a coating that would withstand temps in excess of 1000 degrees while adding gloss and long term protection in the harshest environments. System X® was developed for this purpose and performed well beyond expectations. Ten+ years and billions of dollars in protected vehicles later System X Ceramic Protection is now represented in 50+ countries and counting. We remain true to our mission, focused on delivering the best, most efficient, longest-lasting coating technology on the planet. All of our ceramic coatings are manufactured at our facility in Thomaston, CT USA to the absolute highest quality standards.

## SYSTEM X BENEFITS

### Application Versatility

System X® products are specifically formulated to enable application on virtually all dirt and corrosion-prone surfaces of your car. That means powerful protection for everything from steel and aluminum to leather, vinyl, fabric, and glass.

### UV Ray Protection

The sun is relentless in its assault on your automobile's appearance. System X® provides maximum UV ray protection for paint, to prevent unsightly damage associated with aging and fading colors.

### Protection from Harmful Corrosives

From salt to sand, exhaust fumes, pollutants, insect contaminants, moisture, and UV rays, your automobile is vulnerable to element-related corrosion. In bonding to the substrate, System X® provides a semi-permanent ceramic coating that won't wash off like wax, polish, or sealant - ensuring years of paint protection.

### Long-Lasting Beauty with Minimal Maintenance

The unique formula of System X® locks in long-lasting beauty with ultra-clean surfaces and gloss retention. The result? Greatly reduced time and expense related to ongoing care and maintenance.

# PRODUCTS

## MAX

CERAMIC NANO COATING

Lifetime Warranty - 9H+

System X Max™ provides super-slick & glossy paint protection with previously unachievable levels of durability, hardness, and chemical resistance. Thicker than any coating, Max™ is ready to protect in the most extreme environments.

## DIAMOND

CERAMIC NANO COATING

7 Years Warranty - 9H+

System X Diamond™ offers Industry-leading levels of gloss and slickness with rock-solid durability. Black will appear deeper; red will pop with bright reflections; white & silver will appear as if dipped in glass.

## PRO

CERAMIC NANO COATING

4 Years Warranty - 9H+

A revolutionary advance in paint protection, System X Pro™, Ceramic Coating imparts a durable, color-enhancing gloss that protects exterior surfaces for years to come.

## GLASS

CERAMIC GLASS COATING

System X Glass™ coating protects your windshield, windscreen, windows, mirrors, glass headlamps and other glass surfaces from micro-scratches while multiplying the surface's hydrophobic properties for two full years. System X Glass™ keeps surfaces cleaner and clearer while improving the driver's visibility.

## INTERIOR

CARPET, FABRIC, LEATHER & VINYL

System X Interior™ creates a high-tech ultra-hydrophobic protective barrier. Based on advanced nanotechnology to protect your interior – fabric seats, carpet, leather, and vinyl. Spills and stains clean up easily. System X Interior™ protects while retaining your natural look and feel.

**BOEING & SGS CERTIFIED & APPROVED - AIRCRAFT GRADE PROTECTION**

## APPLICATION

If contaminated, use a claybar to clean the paint and wheels. If paint correction is required do so before application.

Wash and completely dry surfaces to be coated.

Clean the paint using a 50% IPA (isopropyl alcohol) to water mix in a trigger sprayer. Mist the paint then wipe down with a microfiber towel.

Wipe on coating by hand using a sponge or coating block, panel by panel. After wiping on wait 30-60 seconds to flash (depending on temp) then buff off with a microfiber towel.

Wait 20 minutes before driving, and 6 hours before getting wet.

# MAX

CERAMIC NANO COATING

## PRODUCT OVERVIEW

System X Max provides super-slick and glossy paint protection with previously unachievable levels of durability, hardness, and chemical resistance. Thicker than any coating, Max™ is ready to protect in the most extreme environments.

System X Max has a **LIFETIME WARRANTY** on automobiles & motorcycles, 5-Year warranty on boats, 3-Year warranty on Powersports, Rv's, & fleet vehicles, and 2-Year warranty on aircrafts when installed by an Accredited Installation Center and annual inspection requirements are met.

## TECHNICAL DATA

<b>EFFECTIVENESS</b>	10+ years depending on environmental factors
<b>PENCIL HARDNESS</b>	9H
<b>APPLICATION</b>	Wipe on / buff off application or use HVLP gun with 0.8mm tip and buff off by hand
<b>BOTTLE SIZE</b>	20 mL, 65 mL, 275 mL, 4L
<b>SHELF TIME</b>	1 year from shipment date when unopened and stored dry at 18°C (64°F) to 23°C (73°F)
<b>APPEARANCE</b>	Clear / High Gloss
<b>FILM THICKNESS</b>	Up to 0.9 mil
<b>CHEM. RESISTANCE</b>	Outstanding
<b>TEMP. RESISTANCE</b>	> 538°C (1000°F)
<b>SALT SPRAY</b>	<b>(ASTM B117)</b> @ 35°C (95°F), 5% salt concentration, > 400 hrs to first signs of corrosion
<b>ADHESION CROSS-CUT TAPE</b>	<b>(ASTM D3359)</b> 5b (0%, none)
<b>MANDREL BEND</b>	<b>(ASTM D522)</b> 0% @ 180° rotation
<b>IMPACT</b>	<b>(ASTM D2794)</b> 80/80 in/lbs
<b>COVERAGE</b>	50 sq feet (4.645 sq meters) per 100ml
<b>DRY TIME</b>	40 minutes
<b>CURE TIME</b>	Initial cure in 4 hours, full cure in 3 days

## APPLICATION

If contaminated, use a claybar to clean the paint and wheels. If paint correction is required do so before application.

Wash and completely dry surfaces to be coated.

Clean the paint using a 50% IPA (isopropyl alcohol) to water mix in a trigger sprayer. Mist the paint then wipe down with a microfiber towel.

Wipe on coating by hand using a sponge or coating block, panel by panel. After wiping on wait 5-20 seconds to flash (depending on temp) then buff off with a microfiber towel.

Wait 20 minutes before driving, and 6 hours before getting wet.

**DIAMOND<sup>SS</sup>**  
CERAMIC NANO COATING

## PRODUCT OVERVIEW

System X Diamond is a thin, flexible, permanent 9H ceramic coating with previously unachievable durability and hydrophobic properties.

Our top-of-the-line low maintenance self cleaning coating is slick to the touch and imparts a deep gloss to paintwork. Diamond's unparalleled paint protection against environmental factors will keep your car looking better than new as long as you own it.

SGS tested, Boeing approved. Diamond has a **LIFETIME WARRANTY** on new cars and up to 8 years on used when installed by an Accredited Installation Center and annual inspection requirements are met.

# PRO

## CERAMIC NANO COATING

## PRODUCT OVERVIEW

System X Pro is a super slick super hydrophobic ceramic coating for automotive paint. Pro is a semi-permanent 9H self cleaning ceramic coating with high gloss.

Pro has passed rigorous Boeing approval testing and has been evaluated for hardness as well as alkali and salt resistance by SGS laboratory. This ensures Pro is 100% safe for your paint, adheres on a molecular level, and withstands tough environmental conditions.

Pro has a **SIX YEAR WARRANTY** on most cars when installed by an Accredited Installation Center and annual inspection requirements are met.

**CRYSTAL<sup>SS</sup>**  
CERAMIC NANO COATING

## PRODUCT OVERVIEW

System X Crystal Ceramic Coating is a professional grade coating that lasts for up to 3 years – that offers superior System X Crystal semi-permanent ceramic coating, provides 2-3 years of gloss and protection.

Crystal inter-locks part of its molecular structure with the surface molecules of your paintwork so you get a coating that will not be washed off like a wax or sealant. Crystal has passed rigorous Boeing approval testing which ensures 100% safety for paint.

Utilizing our proprietary ceramic technology Crystal is high performer against friction, heat, and solvents.

## TECHNICAL DATA

EFFECTIVENESS	3 years depending on environmental factors
PENCIL HARDNESS	9H
APPLICATION	By hand with sponge, coating block or cotton applicator
BOTTLE SIZE	65 mL, 275ml
SHELF TIME	1 years from shipment date when unopened and stored dry at 18°C (64°F) to 23°C (73°F)
APPEARANCE	Clear / High Gloss
FILM THICKNESS	0.15 - 0.2 mil
MANDREL BEND	(ASTM D522) 0% @ 180° rotation
CHEM. RESISTANCE	Very Good
TEMP. RESISTANCE	> 760°C (1400°F)
ADHESION CROSS-CUT TAPE	(ASTM D3359) 5b (0%, none)
COVERAGE	60 sqft / ounce (30 ml)
DRY TIME	20 minutes
CURE TIME	Initial cure in 4 hours, full cure in 3 days

## APPLICATION

If surface is not new, wash and dry it before application.

Test an inconspicuous area to confirm compatibility

**Fabric/Carpet:**  
Spray in criss-cross pattern assuring 100% coverage.  
Use dry sponge for tight knits.

**Leather/Vinyl:**  
Spray onto a microfiber towel and wipe surface until no residue remains.

**Leather/Vinyl** dries in 5 minutes.  
**Fabric/Carpet** dries in 30 minutes.

# INTERIOR

CARPET, FABRIC, LEATHER & VINYL

## PRODUCT OVERVIEW

System X Interior protects all your interior surfaces, such as fabric seats, carpet, leather, and vinyl with a single professional coating. Spills and stains clean up easily and quickly. System X Interior is safe, easy to apply, has no odor, is water based, and dries quickly. Sprayed on by hand and air dried, it provides great protection for your interior without changing the color of your leather, fabrics, or carpet.

<b>EFFECTIVENESS</b>	2-5 years depending on environmental factors
<b>APPLICATION</b>	By hand sprayer with microfiber towel or sponge
<b>BOTTLE SIZE</b>	950 mL sprayer, 4 L, 20 L
<b>SHELF TIME</b>	1-2 years from shipment date when unopened and stored dry at 18°C (64°F) to 23°C (73°F)
<b>APPEARANCE</b>	Clear
<b>FINISH</b>	Invisible
<b>CHEM. RESISTANCE</b>	Good
<b>CURE TIME</b>	24 hours
<b>COVERAGE</b>	40 mL - 80 mL per sq meter, depending on material ~ 200 mL per car
<b>DRY TIME</b>	30 minutes

# OUR MEMBERSHIP

Our Dazzling Darts Membership Programme opens a world of benefits bringing you a peace of mind when it comes to taking care of your car professionally.

## Member Privileges

1. Free Car Washes!
2. Exclusive offers on Products & Services
3. 2X Dazzling Darts Points - Redeem for discounts or services
4. Free Detailing - Interior & Exteriors
5. Huge Savings on other Car Care Packages
6. Mega Discounts on System X Ceramic Protection Packages

# OUR VISION

- Allow you to explore our magical country by road without worrying about your car's beauty
- Support the local industry by educating the people with the correct procedures for maintaining a car, airplane, boat & to reduce pollution to the environment by adapting technology in maintenance.
- Ensure that every car exterior is in it's pristine condition thereby beautifying the Kenyan roads with clean and dazzling cars.
