# OUR FAITH COMMUNITY

## From the Pastor

### Christ Consciousness

Just as I feel my own consciousness in every part of my physical body, I need to feel all humanity as part of me. It is the awareness of perception of every being. That is the meaning of Christ Consciousness. When Christ comes within us, we lose our ego; the 'I' is demolished. That is what Christ is. If you like Christ, then follow His ways. God could be cruel and destroy evil doers, but instead He uses love to bring humans back to Him. That is why Jesus says, "love your enemies for God makes His sun to rise on the evil and the good; sends rain on the just and the unjust".

Hating someone is going against one's own interest. Try to be a friend to everyone. To love your enemies is the best way to conquer them. Don't allow the infection of hatred in yourself.

Remember that your enemies are also the children of God. They are ignorant of what they are doing. No thinking person wants to do wrong. They don't realize the error of their ways. They don't have the clear vision or power of reflection. That is why they "know not what they do" (Luke 23:34). Such person actually does great harm to himself and he is the object of sympathy.

Always aspire to know Christ within you. Banish every prejudice and love all beings. Harm no one. Judge not others. Hate none, love all. Whatever blessing you have, desire that all should have it. Share with all. Give and you shall receive. In this way prepare your consciousness in order to bring Christ into your consciousness. That is Christ Consciousness.

**Liturgy & Music Notes from Jan**

**Parish Choir** – We will sing the 9:30AM Mass next Sunday, May 5.

**Ministry Moment** is a new weekly bulletin feature that we hope you enjoy. The term “spotlight” was suggested, but for modesty of our volunteers who are shy about drawing attention to themselves, we are using the term “moment”—meaning for us to take a moment each week to realize how many ways there are to serve our parish. Each new feature introduces a person whom we often see helping in some way, but might not know their name. Over the course of a year, we can highlight 52 persons who will share what drew them to become involved in a ministry. Hopefully, that will inspire all of us to consider how we, too, can be of service. If you would like to join a new ministry or share your personal witness of being a volunteer, please contact the parish office and we can help you to help us. It’s easy! Thanks to all who are already willing to share their reasons for being a volunteer.

The St Mary’s Respect Life Committee will be offering roses after all Masses on Mother’s Day weekend.

A freewill offering is appreciated to cover the costs of this ministry.

Cerny’s gift cards will be available for purchase (\$25, \$50 & \$100) beginning this weekend after all Masses! You can also purchase cards at the parish office during office hours (M-F 8AM-3:30PM). Cerny’s generously returns a portion of the sales back to our parish and the profits from these sales benefit our youth programs. Your support is appreciated!!!

Scripture and the Tradition of the Catholic Church provide an abundance of wisdom, though it can often be challenging to apply it to our lives. There is no need to register for these sessions. Your presence is welcome any week of the program. You will not only benefit personally from being part of this study; you will also help us to grow in fellowship as a parish as we grow closer to Christ together.

**From the Parish Nurse**

Gearing up for yard work and gardening exercises, continued from last week.

Stress on the **knees** comes from all directions. When you squat to pick up your tools or push a cart uphill, your knees are constantly being called upon or crawled upon. Knee conditioning indirectly results from strengthening the quadriceps (front of your thighs). The stronger the quads, the less your knees have to work.

\*Sit in a straight-backed chair, feet flat. Hold the sides of the chair, extend your right leg straight out in front of you, making sure it is as high as the seat of the chair. Lift you leg about 6 inches off the chair, flex your foot (heel down, toes up). Repeat the lift 10 times, then lower the leg to starting position and repeat with the left leg. Work up to two complete sets.

**Hands**, a good grip is necessary for weeding, pruning, deadheading, and numerous other tasks. Squeezing a soft rubber ball (about 2 ½ inches in diameter) effectively strengthens the fingers, hands, wrists, and forearms. If you carry the ball with you during the day, you can exercise your hands whenever you have a spare minute. This activity is also beneficial in reducing stress.

\*Squeeze the ball with all your fingers and thumb. Squeeze until you feel your hand tire, then squeeze five more times. To further strengthen the thumb, squeeze the ball between the thumb and each finger, doing six to eight squeezes each. Repeat with the other hand.

God bless as you continue to enjoy creation. ~ Ann Jelinek RN, PN

**Ministry Moment**

**Jeff Walker** (age 67) is an active volunteer in the roles of cantor, choir member, Community Meal, and Backpack Program. He and his wife Jean (five children and nine grandchildren) retired and moved from Alaska to Tomahawk in 2012.

Interesting fact-Jeff has a lifelong obsession with color: spectroscopy, color symbolism, color psychology, color therapy, color theory, and evolution of color names. And he said, "I have absolutely no idea what to do with it".

What/who inspired him to volunteer? "Need to know the community. Love of singing. Desire to help those less fortunate than myself. Many folks led me to volunteering; my wife, Jan Huseby, other cantors and choir members, Heidi Merwin, and many, many others who set a high standard for compassion and commitment to community and our church."

How does volunteering make him feel? "Mostly invigorated. Sometimes tired. Sometimes overwhelmed. But always grateful that I have the time and health to provide something value added."
