

Altar Server Information for St. Mary's Parish

Your son or daughter learned about Mass and participated in altar server training, during religious education class time. Now they are invited to decide whether they would like to serve at weekend Masses at St. Mary's (or St. Augustine, if that is their home parish). The following information is needed for our ministry scheduling software, which generates our schedules (about every three months), based upon your preferences. **If you want your son or daughter to become an altar server**, please complete this form and return to religious ed. class or directly to Jan Huseby, Director of Music and Liturgy (jhuseby@smctomahawk.com). When the schedule is complete, you will receive a copy in the mail, at the mailing address you include below.

General Information – Please print all information

Today's Date _____

Last Name _____

First Name _____

Age _____ Grade _____ School _____

Primary Phone _____ Cell Phone _____

Email Address _____

Parent(s)' Name and Mailing Address _____
