12:00 - 12:45 pm: EWANNA

"Becoming Sound - Channeling Source for Primordial Healing"

The Source speaks the Language of your Soul. Some call this "Light Language." It is the primordial language your Soul can understand beyond the meaning of any standardized spoken or written word. When it speaks to you, it penetrates all barriers, touching your Soul at its primordial level. Experience multidimensional channeled sound with Ewanne. Understand what the Language of Light is, how it works, and why it is so powerful for Soul healing. Ewanne will channel for all participants as collective energy; individual transmissions may be offered, time permitting. When channeling, Ewanne becomes the Voice of Spirit, working with the Universal Consciousness; all veils are dissolved and transcended, with many Light Beings stepping in to convey messages and transmute energies. Ewanne is an awakened Shamanic Healer, channeler, activator, sound & light alchemist, and visionary. [Facebook.com/HEALwithEwanne](https://www.facebook.com/HEALwithEwanne)

When we experience loss or grief, we feel that deeply in our physical bodies. We will discuss how grief shows up in the body, and how it can impact our daily lives. During this experiential workshop we will discuss healthy ways to engage the body after we've experienced the deep ebbs and flow of grief and loss. We will move, breathe, and learn strategies to help you move into alignment with your physical self. Plus, time for questions and answers. Michael, an Intuitive Consultant, focuses on the lessons and blessings we have to work through in order to create a more positive and spiritually focused life. 3:00 - 3:45 pm: SEVEN MOON MYSTIC  
"Shattered Pieces, Healing Complex Trauma"

In this presentation, we will explore the different healing modalities as they apply to CPTSD. Experiencing trauma causes the person to shatter, as the body cannot handle the experience. As the trauma happens, the body processes part of the trauma, while the rest is stored in the body to

be processed later. When healing from trauma, a Holistic approach is needed, where we reconnect body and mind. In trauma healing we take the shattered parts of ourselves and reconnect with them to fully remove ourselves from the past and begin living again in the present. Catherine Baz specializes in working with CPTSD and PTSD. She uses a multi-modality approach to healing, pulling from many parts of the world's esoteric practices. Catherine is an angel and tarot reader, energy healer and belly dancer. [SevenMoonMystic@gmail.com](mailto:SevenMoonMystic@gmail.com)

Removing conscious and subconscious blocks will help you heal and manifest the life you desire! Karla is an Intuitive Reiki Practitioner specializing in Holy Fire® III Reiki, a form of Reiki that is both powerful and gentle and provides purification, healing, empowerment, and guidance. Imagine if you had a diary that kept a record of every experience you've ever had in every life you've ever lived. These "diaries" exist and are commonly referred to as the Akashic Records or The Book of Life. While our mind may not remember, our spiritual bodies can recall all this information. Each person has the ability to connect with these records to learn more about the experiences that created who you are. These records contain all our good and bad history. How do you know when it's time to release negative baggage that no longer serves you? Find out more about these records and what they mean for you. We had been practicing the knowledge and deep knowing, but it's difficult to always show up in that Holy vibration. Now I am grounded in love despite the chaos, uncertainty, and fears. I have found peace in my mind, heart, body, and words. Now orgasmic energy flows throughout my body effortlessly. The same place yogis strive to reach through meditation can be experienced through The Orgasm!
