The latest Protocols are on the attached link of the email.

As a reminder please adjust the microphone to have it pointing at your chin and centre it and have it about 4 to 6 inches away. Read your Workbook and PRACTICE, PRACTICE, PRACTICE. Please speak in a LOUD CLEAR voice, speaking slowly and pausing as necessary at the punctuation marks.

If you are unable to read at the appointed time please find a replacement.

Thank you for your service and being an important participant in the Liturgy.

Regards,  
Larry
