

Dear Parents and Carers

We know we can't invite parents and carers onto the site in vast numbers, but we also recognise the importance of continuous communication. We are therefore going to conduct a Virtual Parents' Meeting (Progressive assertive mentoring), between the 8th and 22nd March 2021.

What will this look like?

You will be able to have a virtual meeting, using <https://zoom.us/download> with your son/daughter's tutor. Each subject teacher will be able to provide you with an update on

Unfortunately, time will be restricted to 30 minutes and if a further meeting needs to happen, we will make that appointment.

Following on from this meeting, we will give your son/daughter their Assessment B reports in a sealed envelope. This will show you a capture of their grades, and their attitude to learning in each subject.

How do you make an appointment?

The allocated tutor will contact you with a date, time and provide you with a Zoom link.

If you have any questions, concerns or issues please do contact us at the school or email school@clovellyhouse.co

Thank you again for your continued support.

All the best,
