ABOUT THE BOOTLEGGERS MUSIC GROUP

[The Bootleggers Music Group](#) is a collection of individuals from across 7 continents who continue to magnetize listeners with their music. The seeds of the group were planted in 2020, when The Bootleggers Music Group CEO, Paul E Jones, found himself and his business deemed “non-essential.” However, rather than wallow in darkness forever, he was inspired by a visit from his lifelong friend Wayne Maxwell, who suggested he turn to music and God for healing. It was a meaningful turning point in Paul’s life, as he went on to write/co-write and produce nearly 100 songs over the next 2 years.

Producing something for everyone, no matter what their faith or belief, [The Bootleggers Music Group’s lineup](#) soon expanded to include not just fellow musicians, but [producers, writers, and composers](#) from all over the world.
