Get ready to illuminate the world in blue! The Royal Canadian Air Force's Centennial is approaching, and we're calling on you to join the illumination movement. Throughout April, we are encouraging Canadians across the country light up their cities, businesses, and homes in blue, and to share photos on social media using the hashtags [#RCAF100](#) and [#100YearsOfFlyingBlue](#), in support of the Royal Canadian Air Force, and its personnel.

We are also excited to announce that we are collaborating with Guinness World Records, as the RCAF will attempt to break the World Record for most landmarks illuminated in 24 hours. Let's make history together!
