## Summer Fun in the Sun

*Be sure and put the following dates on your calendar.*

Plan on enjoying our **July 15th** Treats and a Movie day. At 12:30 p.m. we will share in a wonderful movie in the sanctuary along with some movie treats.

Then, on **August 19th**, put a church picnic on your agenda. We will leave directly after services and caravan to Carol Johnson's home. Did you know she has a great pool with a huge deck? We will have some shade to relax in as well. Pack up the car with a towel and swim suit if you want or just some summer togs and experience a fun get together with all your friends from church.

### The Beginnings and Growth of Unity

In four weeks, we will experience something of the flavor of the movement we call Unity. Join Rev. Marygrace Sorensen after Sunday services, as we revisit the development of the Unity movement as an institution and an idea. Trace the history of our movement through the founding of the Unity Society of Practical Christianity, Unity School, and Unity Worldwide Ministries.

We will also review the spiritual evolution of Charles and Myrtle Fillmore and their unique contributions and consciousness, the influence of Emma Curtis Hopkins and H. Emilie Cady, the development of focus and identity in the teachings, the emergence of Silent Unity and field ministries, the spiritual principles and the mystical themes underlying the expansion of Unity's work. Ever wonder about the Unity movement, as it is unfolding in other countries. Plan on being here with Rev. Marygrace as we explore the rich depths of Unity's history.

## THE TRUTH IS...

### **“Personal Goals: My Lifetime Goals list (and why you should have one, too)”**

Experts on the science of success know that the brain is a goal-seeking organism. Whatever personal goals you give to your subconscious mind, it will work night and day to achieve them.”

“However, one goal isn’t good enough. Some goals take longer to achieve than others – and if you spend years working toward only one objective, you’re likely to get discouraged when it doesn’t happen right away.”

“But when you have a long list of goals you’d like to achieve, you have more to strive for, and more opportunities to check those goals off your list. And the rush you feel every time you check one of those goals off the list will inspire you to accomplish even more of them!”

“What goals do YOU want to achieve in your lifetime?”

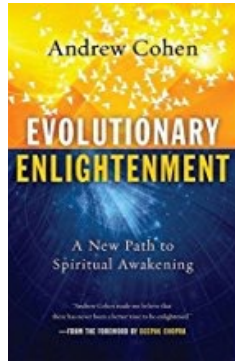

“Make a list of 101 goals you’d like to achieve in your life. Be as specific as possible. Include details such as when they will happen, where they will happen, how much you’ll make, what model you’ll buy, what size it will be, and so on.”

“Keep your goals somewhere you can review them often. You might want to put them on a deck of 3”x5” cards you shuffle through every morning, on a poster or piece of paper you hang on the wall beside your computer, or in a book you read each night before you fall asleep. By keeping them top of mind, you’ll be more likely to make them a reality.”

“And every time you **achieve one of your goals**, check it off the list and celebrate what you’ve managed to accomplish in your life!”

Think on this...blessings, Rev Paula

## Wednesdays starting June 13, 2018 6:00 pm - 8:30 pm

Each Wednesday evening the study group will be reviewing *Evolutionary Enlightenment: A New Path to Spiritual Awakening*. At 6 pm there is a social time and then class starts at 6:30 pm.

In *Evolutionary Enlightenment*, Andrew Cohen redefines spiritual awakening for our contemporary world—a world characterized by exponential change and an ever-expanding appreciation for the processes of evolution. Through five tenets for living an enlightened life, Cohen will empower you to wholeheartedly participate in the process of change as your own spiritual practice. *Evolutionary Enlightenment* not only makes deep sense of life today; it will show you how to play an active role in shaping the world of tomorrow.

## Just Keeping It Real!

## Hell in the Hallway, Light at the Door

Saturdays, Jul 7- Aug. 4,  
10:00 – 11:30 a.m.

Join Chere Pinkston L.U.T. as she offers us a 5 week course based on helping us through when one door closes, another one opens, but it can be hell in the hallway.

The hallway is that place between jobs, between relationships, after a death, divorce or whenever life as you know it has changed, and you don't know what's coming next.

No matter how difficult or painful, the hallway can be a place of tremendous inner growth and renewal.

- Find out which kind of hallway you have entered.
- Learn the spiritual steps to move through transition.
- Create what you want behind the next door.

*Hell in the Hallway, Light at the Door* will lessen your fear of change and open your heart to the gifts of a renewed life.
