New Program Proposal

The OASIS Community Center is always interested in new programs to offer to families and individuals seeking a healing community. We encourage volunteers to propose programs that they believe would be beneficial to members of our OASIS recovery community.

Please keep in mind that OASIS has limited staff and resources. Our programming budget provides funding ONLY for designated programs already approved for the current fiscal year. You will need to develop a funding plan to cover any programming costs associated with your proposal.

Email: Phone: Phone: Please provide a general description of the program you are proposing: Type of Program: Education Social Outreach Bereavement Wellness Fundraiser Other: Pundraiser Other: Ongoing program What is the anticipated duration of this program? Total time required (including set-up and clean-up, Do you have a particular preference or are you flexible regarding the day of the week or whether it is daytime, evening, or weekend program? What are the goals or expected benefits of this program? Are you willing to facilitate this program? Or do you have a facilitator identified?	Date:	Your Name:

Are you willing to facilitate this program? Or do you have a facilitator identified?	What are the goals or	expected benefits	of this program?		
Are you willing to facilitate this program? Or do you have a facilitator identified?					
	Are you willing to facil	litate this program?	Or do you have a	facilitator identified	d?

What are the estimated costs for this program? Include estimates for anticipated needs materials, speakers, food, special equipment etc.
Do you have a plan for how to fund this program?
Are you willing/able to do the research to identify the facilitator, supplies, funding?
How does this program/workshop align with the mission of OASIS Community Center?
Any other information that you would like to include?

Thank you for your program proposal!

Please submit it via email attachment to info@oasisbethlehem.org.

Alternatively, you may also mail or drop off your proposal (attention Rhonda Miller) at the OASIS Community Center.

We will review your proposal and will contact you for additional information, if needed. Approved programs will be subject to meeting the terms of our service contract, appropriate clearances, insurance coverage, and building access agreement.
