Dear Valued Sponsor,

It's time for your favorite coastal event- the Festival of Lights! What's been happening this year? Lots of great things!

With everyone's generous support of our 2022 Festival of Lights, we presented the City of Brookings with a \$30,000 check for the renovation of Kid Town. We are currently working with the City to identify other funding needs in Azalea Park for our 2023 show proceeds.

We have more displays (they are really big and so beautiful) pushing the Festival of Lights to 3+ million and counting. One of the displays is courtesy of the **Brookings-Harbor High School** welding program.

Pre-sale tickets are again available! It's a great business give-away or a nice gift for family or friends. Use the back of the ticket to write a personal note or stamp your business name on it.

How can you keep our time-honored tradition burning bright? First, become a financial sponsor! Your generous donation keeps the Festival of Lights open for everyone to enjoy. **Second, donate a few hours to your Festival of Lights!** Rally a crew to spend 4 hours on **Saturday, October 28th to help string lights** in the bushes at Azalea Park. Call your friends. Offer your employees a perk for volunteering. Grab your teenagers. Report to the Kid Town Parking lot off Old County Road at 9am. Extreme weather may cancel the day so watch our Facebook page for updates.

Third, we are looking for groups of 8-16 people to come together to **host a night** by manning the ticket booths and Snack Shack. Rally your church members. Get your organization's team fired up to show up. Offer a perk to your employees for being a hosting volunteer. Be the force behind a night of holiday joy.

This is your Festival of Lights. Help by sponsoring and donating your time!

Your financial sponsorship offers

- Signage during the holiday season at Azalea Park
- Demonstrates your financial commitment to your coastal community
- Affordable advertising to promote your business or service
- A great charitable tax deduction

BUT, the benefits in getting involved on October 28th and/or hosting a night are even better!

- You get to see your results first-hand and gain a sense of personal pride in the display and Azalea Park
- You help to preserve a time-honored community tradition
- You will meet new people and prospective members/clients for your organization or business
- You directly contribute to a non-profit event focused on bringing joy to all those who attend
- You are supporting our community's economic base

Think Win-Win-Win!

The Festival of Lights opens November 24th as we welcome Santa!
Santa visits every Friday and Saturday night from 6-8pm!
Last night for the Festival of Lights is December 27th.
Watch our Facebook page for updates! Extreme weather can cancel a night!
