## Who We Served & Trained

**Sanders & Associates Information Technology Solutions (SAITS4U)**

## Sanders & Associates Information Technology Solutions (SAITS)...

Sanders & Associates, LLC is a Veteran Owned - Minority Owned – small business enterprise founded in 2005 supporting clients within the Federal Government and businesses in the Washington, DC area.

Our core functions includes: Computer Training, Computer Repairs, Web Services and e-Commerce Products and Sales.

Our accomplishments includes but not limited to:

- Created/ developed Asset Management database for the USPSIT Department to track all assets through the life

cycle of the asset.

- Provided Microsoft Computer Training (Excel, Access, PowerPoint, etc.) for the Federal Government and local businesses in Prince George's County Maryland.
- Provided Virtual Web Hosting services.
- RESELLER of Computer and Electronic components.

Upon leaving the DC area in 2014, SAITS4U was restarted in Wilson Carolina on March 1, 2019 - doing business as Sanders & Associates Information Technology Solutions.
